Rounding of Charges

If the computed usage charges or credit for such charges include one-half cent or more, the fraction is rounded up to the next highest cent. Fractions of less than one-half cent are rounded down to the next whole cent, unless the cost of the call would total less than \$.01. The minimum charge for each intrastate OneNet<sup>1</sup> call is \$.01.

<sup>1</sup>Effective October 22, 2008, the "AT&T OneNet Option" and "ACC Business" will be grandfathered, and the Local Exchange Services provided under that tariff will not be available to new customers. Customers with services provided under that Tariff will continue to receive the service(s) pursuant to the terms and conditions of their contract until their current contract expires. Upon expiration of the customer's current contract term and if the customer does not disconnect the service(s) (if available), customer will be billed at the month-to-month non-term.

<sup>2</sup>The Installation Charge is waived for new Customers, and for existing Customers who add lines and/or trunks. The waiver only applies to AT&T Business Network Customers. Customers must maintain service for a minimum of 12 consecutive billing months from the installation date and select the Company as the primary carrier for Local and IntraLATA toll calling, or they will be billed a termination charge equal to the waived installation charge(s)
