RE: Request for Cancellation of our Certificate for Convenience and Necessity to Provide Competitive Resold Interexchange Telecommunication Services, Granted in Docket No. T-04042A-01-0651

Dear Sir:

We request cancellation of above captioned Certificate of Convenience and Necessity for our corporation. We have not done business in Arizona for some time, since the end of 2011. We have not had any Arizona long distance customers since that time. Prior to this our Arizona customers switched to other carriers, switching over a period of time of their own accord. Therefore no customers will be impacted by our cancellation of our certificate. Our company continues to do business in a few other states. We would like to close out all administrative activity with the Arizona Corporation Commission.

Cordially,

Keith Johnston, President
