Re: Tower Cloud, Inc. (Docket T-20563A) 2014 Annual Report and Request for Cancellation of CC&N

Dear Sir or Madam,

Enclosed is the Utilities Division 2014 Annual Report for Tower Cloud, Inc. (Docket T-20563A). Please note that Tower Cloud, Inc. has not conducted any business nor provided any telecommunication service within the state of Arizona during the reporting period.

In November 2007, Tower Cloud, Inc. filed an application for a Certificate of Convenience and Necessity ("CC&N") to provide special access services in Arizona. Per Decision No. 70385 on June 13, 2008, the Arizona Corporation Commission granted a CC&N to Tower Cloud, subject to certain conditions. The company anticipated beginning service in Arizona sometime in 2008. Subsequently however, the company's management discontinued pursuit of business within Arizona. The company's authority to transact business within the state was revoked, effective June 8, 2011.

Tower Cloud, Inc. has conducted no business and has had no presence within the state of Arizona since at least 2009. Furthermore, it has no plans to pursue business within the state of Arizona in the future. As such, Tower Cloud, Inc. respectfully requests cancellation of its CC&N, effective immediately.

If you should require any additional information to effectuate this cancellation, please contact me at 727-471-5639 or pmorrison@towercloud.com. Otherwise, please send written confirmation of this cancellation to my attention at the address below.

Sincerely,

Patricia T. Morrison
