**Subject:** Cancelling TelLogic, Inc. dba Quality Telephone Resold Local Exchange CC&N

Dear Lori,

I am authorized by my employer, TelLogic, Inc. dba Quality Telephone, to request the cancellation of TelLogic, Inc. dba Quality Telephone's Resold Local Exchange Certificate of Convenience and Necessity ("CC&N"). The Company is no longer providing resold local exchange telecommunications services or doing business in Arizona. We stopped doing business and providing local exchange telecommunications services in Arizona not later than September 7, 2012. TelLogic, Inc. dba Quality Telephone has no employees, facilities or assets in Arizona. Please cancel the Certificate of Convenience and Necessity under Docket No. T-04172A.

In addition, I would like to formally request that under Arizona Administrative Rule R14-2-1107(A)(1), we be granted a waiver from providing direct notice of discontinuance of service to customers and a waiver from R14-2-1107(B) - published legal notice of the application in all counties affected by the application. Since TelLogic, Inc. dba Quality Telephone has no customers, there are no customers to provide direct notice of discontinuance of service to and as there are no customers, no counties are affected by this application.

Finally, TelLogic, Inc. dba Quality Telephone has an original \$25,000 performance bond on file with Arizona Corporation Commission's Business Office. That bond expired March 31, 2010. Please return the expired bond and any other bond related documents on file with Commission's Business Office to the following name and address:
