REQUEST FOR WAIVER OF PUBLICATION REQUIREMENT

On April 2, 2015, Cbeyond Communications, LLC (“Cbeyond”) filed an application under Arizona Administrative Code R14-2-1107 to discontinue facilities-based local exchange and resold long distance services and to cancel its certificate of convenience and necessity. The process for discontinuing service is outlined in Commission rules and requires specific steps. Rule 1107(A)(2) requires verification that all affected customers have been notified of the proposed discontinuance of service. Rule 1107(B) requires publication of legal notice of the application in all counties affected by the application.

Cbeyond has no customers in Arizona, making notice to affected customers impossible and causing publication of legal notice to be unproductive. Publishing statewide legal notice is expensive and Cbeyond seeks to avoid unnecessary expenses. While Cbeyond committed initially to publishing the notice, Commission Staff communicated that a waiver would be considered. Because Cbeyond has no customers and thus noticing customer of this application is

not useful, it hereby requests a waiver of Rule 1107(A)(2) and (B) for purposes of this application.
