Nature Of Opinion:

Docket Number: W-02181A-15-0216

Docket Position: Neutral

Customer states that she knows that the Company has not had a rate increase in a long time. Customer is all for water conservation. She is recommending that the increase be in the commodity rather than the monthly service charge. Customer is also proposing that in order for the Company to repair the leaks in the system that the customers pay a double service charge until all repair are completed.
