Subject: RE: Process to Cancel Consolidated Communications Enterprise Services, Inc. Arizona CC&N Docket No. T-04227A-15-0161

Dear Lori,

I am authorized by my employer, Consolidated Communications Enterprise Services, Inc., to request the cancellation of Consolidated Communications Enterprise Services, Inc.'s resold long distance Certificate of Convenience and Necessity ("CC&N"). The Company is no longer providing resold long distance telecommunications services or doing business in Arizona. We stopped doing business and providing long distance telecommunications services in Arizona no later than January 2011. Consolidated Communications Enterprise Services, Inc. has no employees, facilities or assets in Arizona. Please cancel the CC&N under Docket No. T-04227A.

In addition, I would like to formally request that under Arizona Administrative Rule R14-2-1107(A)(1), we be granted a waiver from providing direct notice of discontinuance of service to customers and a waiver from R14-2-1107(B) - published legal notice of the application in all counties affected by the application. Since Consolidated Communications Enterprise Services, Inc. has no customers, there are no customers to provide direct notice of discontinuance of service to and as there are no customers, no counties are affected by this application.

Thank you for your assistance in this matter,
