CUSTOMER NOTICE

Customer Notice/Bill Insert

Dear Customer:

Globalinx, Inc. ("Globalinx"), your current provider of long distance services, has elected to exit the telecommunications business. In connection with exiting the business, Globalinx has made arrangements to transition your service to one of its wholesale vendors namely Birch Telecom, Inc. ("Birch") who, if you agree, will commence providing your service going forward. It is anticipated that the transition of your service will occur on or about _____.

The change of service provider from Globalinx to Birch will not affect or disrupt your current service in any way. You can expect the same outstanding level of service and customer care as well as additional resources that will be leveraged to ensure that you receive the highest levels of customer support. In addition your rates and the terms and conditions of your existing service will remain the same.

You will not incur any carrier-change charges from your local telephone company as a result of this transition. If Globalinx is your long distance provider and such a charge appears on the bill from your local telephone company, please call the customer service department toll-free at 1-877-319-1540 and a representative will reimburse you or credit your account accordingly. Birch will be responsible for any outstanding Globalinx inquiries or complaints following the date the transition becomes effective.

You have a choice of telecommunications service providers and have the right to choose another provider for your services and transfer your service to a new provider. If you decide not to switch to a different provider by the date set forth in the notice, your service will continue with and will be serviced by Birch.

Sincerely,
