RE: Arizona Public Service Company (APS or Company)
Quarterly Report - Net Metering Docket No. E-01345A-13-0248

On December 3, 2013, the Commission issued Decision No. 74202 approving a \$0.70/kW monthly interim adjustment charge ("LFCR-DG Charge") for residential distributed generation (DG) systems installed on and after January 1, 2014.

The Commission stated the LFCR-DG Charge may be periodically adjusted, and the Company is required to provide quarterly statistics intended to reflect ongoing market penetration of DG systems in APS's service territory:

IT IS FURTHER ORDERED that Arizona Public Service Company shall file quarterly reports as discussed herein, with the first report due April 15, 2014. At a minimum, the report shall include the number of DG installations per month, size of the installations by kW, and the amount collected each month through the interim LFCR DG adjustment.

First and second quarter 2015 statistics are attached in Tables 1 and 2.
