I live in Pinelakes Estates in Chandler and the placement of high power lines by SRP adjacent to our neighborhood would be DISASTROUS!!!! You must have SRP bury these lines. They would RUIN our property value, be unsightly, be a danger, be a health hazard - on and on - this is BAD very very BAD for me, all my neighbors and the city of Chandler to have these horrible high power lines running between two residential communities in beautiful Chandler. how dare you even propose that this is an option. Chandler is one of the best cities in AZ and you must side with the residents and make the decision that is best for the community and NOT the one that is the cheapest for SRP. You MUST not allow then to put up those line and they must bury the lines - PERIOD!!!!
