DOCKET CONTROL

Staff requests that Docket No. G-04204A-06-0463 be administratively closed. On June 13, 2007, UNS Electric, Inc. filed an application for approval of its proposed demand-side management ("DSM") program portfolio plan for 2008-2012 in the above docket. Decisions responsive to the application have been docketed and no more are contemplated. There is no longer a reason for Docket No. G-04204A-06-0463 to remain open; therefore, it may be administratively closed.
