To The Members of the ACC:

I live in South Chandler and strongly support SRP and the Line Siting Committee decisions to route the power lines through the Gila River Indian Community. The GRIC route is the best option for most of Chandler and a win for the Gila River Community. The City of Chandler and my neighbors off Germann Road encourage the Corporation Commission to approve the power lines on GRIC land for the PRC project. Under no circumstances should high voltage power lines ever run down Germann Road.
