Nature of Complaint:

IN FAVOR DOCKET# E-01345A-13-0248

I have lived at this address for six years. My electric bill has been continually climbing. When I first moved in, my bill was \$82.00 a month and now it's \$96.00. I feel that the increase is due to those who have solar that are not paying their fair share. I do not feel it is right to shift the majority of the expense to me, a non-solor customer.
