Nature of Complaint:

OPPOSED E-01575A-15-0127 ELECTRIC

This company is acting out trying to follow suit with Trico, TEP and uns. This is uncalled for and out of line for them to be able to control a consumer in this way. There is actually no way a consumer could opt out of their service unless they moved elsewhere. Is this what AZ wants to lose tax payers to another state due to utility greediness.

Thank you,
Dorothy Watson
