To The Members of the ACC: This letter is in regards to docket number # L-00000B-15-0059-00170. I ask the ACC to approve the Gila River Indian Community (GRIC) route. It is the best option for bringing the extra power needed into the PRC. SRP has done a good job of their community public process and I am pleased with the GRIC route decision after their 2 years of community outreach. My child's school is on Germann Road and is a built up, densely populated community. Under no circumstances should it be put back on a proposed route for these power lines.

Thank you for your time.
