Dear {Customer Name},

We're writing to let you know that the Arizona Corporation Commission has issued an order (Decision No. 75096) that allows Cricket to discontinue its participation in the federal Lifeline program in Arizona after July 31, 2015. Cricket is discontinuing its participation in the federal Lifeline program as it prepares to shut down its "old" CDMA network in Arizona. Pursuant to the Commission's authorization, **your current Lifeline discount service will terminate on [add date]**. This gives you at least 45 days to make alternate arrangements for Lifeline service, during which time you'll continue to receive your Lifeline Credit on your current Cricket rate plan until your service on the "old" network is terminated (unless your service is suspended, you voluntarily upgrade your device, or you change your current rate plan).

You have the option of moving to the New Cricket (another affiliate of AT&T), allowing you to enjoy the benefits of New Cricket's 4G network and rate plans. All you need is a compatible GSM phone and one of New Cricket's rate plans. These new plans don't include a Lifeline discount, but we encourage you to check out the great values they offer.

Or you may decide to move to another service provider that still offers Lifeline discounts. It's your choice!

If you'd like to receive Lifeline discounts from another service provider, visit [lifelinesupport.org](http://lifelinesupport.org) or see the following list of Lifeline providers in Arizona and their telephone numbers:
