**PUBLIC NOTICE OF HEARING ON THE APPLICATION OF
EPCOR WATER ARIZONA, INC. FOR A CERTIFICATE OF
CONVENIENCE AND NECESSITY TO PROVIDE WASTEWATER
UTILITY SERVICE IN MARICOPA COUNTY, ARIZONA.
(DOCKET NO. WS-01303A-15-0018)**

Summary

EPCOR Water Arizona, Inc. ("EPCOR") has filed with the Arizona Corporation Commission ("Commission") an application for a Certificate of Convenience and Necessity ("CC&N") to provide wastewater service to approximately 32 separately described contiguous and noncontiguous portions of land, together totaling 4,414.36 acres, all located in Maricopa County in an area surrounding State Route 303 between Camelback Road and Peoria Avenue ("Service Area"). The Service Area has a western most boundary of 183rd Avenue and an eastern most boundary of 143rd Avenue and includes several parcels in close proximity to Luke Air Force Base. EPCOR intends to construct and operate a regional wastewater reclamation facility to cover the Service Area. The Service Area is expected to include three new developments known as Granite Vista, Cordillera, and Allen Ranches, and to experience additional rapid growth. EPCOR and Adaman Mutual Water Company ("Adaman") are currently authorized to provide water utility service in different portions of the Service Area.

EPCOR proposes a monthly minimum charge of \$60 for each residential customer, to be charged along with a commodity rate of \$4.19 per 1,000 gallons of water usage, capped monthly at 8,000 gallons for residential customers. For a residential customer with usage of 7,000 gallons per month, the monthly bill would be \$89.33. The proposed rates for non-residential customers increase based on meter size and use higher monthly caps for commodity charges. EPCOR also proposes to implement miscellaneous service charges and service line connection charges.

The Commission's Utilities Division ("Staff") is in the process of auditing and analyzing EPCOR's application and filings and has not yet made any recommendations. The Commission is not bound by the proposals made by EPCOR, Staff, or any intervenor. The Commission will issue a Decision regarding EPCOR's CC&N application following consideration of testimony and evidence provided at an evidentiary hearing.
