RE: TACNA WATER MANAGEMENT COMPANY, INC - REQUEST FOR
EXTENSION OF COMPLIANCE DEADLINE (DOCKET NO. W-01344A-13-0032
- DECISION NO. 73932)

DOCKETED BY *DAG*

In Decision No. 73932, dated June 27, 2013, the Arizona Corporation Commission ("ACC" or "Commission") approved the application of Tacna Water Management Company ("Tacna") for an emergency rate increase.

As part of Decision No. 73932, the Commission outlined the following requirement for the Company:

"... if Tacna Water Management Company does not file its full permanent rate application by September 30, 2014, all interim rates and charges shall end October 1, 2014."

On April 28, 2015, Tacna docketed a filing requesting an extension of time to comply with the permanent rate application requirement shown above. The Company's interim manager, Ms. Nancy Miller, filed the request for extension of time seeking to extend the existing due date from September 30, 2014 to July 1, 2015.

On June 12, 2015, Staff reported that the Company has been working directly with Staff to refine the rate case filing. Staff concluded that the Company can meet the July 1, 2015 proposed extension date.

Based on the application and all of the above, Staff does not object to the Company request for an extension of time in this matter. However, Staff recommends that the Company proposed due date of July 1, 2015 be extended to July 15, 2015 to provide additional time for the company to comply with the rate case requirement. Staff further recommends that if Tacna Water Management Company does not file its full permanent rate application by July 15, 2015, all interim rates and charges shall end August 1, 2015.
