Dear Sir or Madam:

Pursuant to ACC Decision No. 69245 Graham County Utilities, Inc. (GCU) is required to file a Rate Application when the GCU does not meet a two percent equity increase per year. The Gas Division did not meet the two percent equity requirement for the fiscal year ended September 30, 2014.

ACC Decision No. 69245 requires that the Rate Application be filed by June 30th. GCU has utilized internal staff to prepare all Rate Applications in order to save GCU member's money, instead of hiring consultants to prepare the Rate Applications. The GCU Finance Manager has filed all previous Rate Applications, in addition to other duties required of the Finance Manager. GCU and Graham County Electric Cooperative, Inc. initiated a software conversion project in October of 2014, which is still ongoing and is expected to be completed in August of 2015 which required a substantial time commitment from GCU's accounting and finance staff. Based on the above mentioned circumstances, GCU hereby respectfully requests an extension of time to September 30, 2015 to file a Rate Application for the Gas Division.

If you have any questions or concerns do not hesitate to contact me.

Respectfully Submitted

Kirk Gray
