Re: Docket No. T-02724A-14-0412

Dear Commissioner Bitter Smith,

My name is John Kieckhefer and I am writing today in reference to a pending docket before the ACC that will allow Table Top Telephone to serve my ranch, the K4 Ranch, which is located at 26375 Williamson Valley Road in Prescott. We have anxiously been waiting for the delivery of service to this location which will positively impact our quality of life. It has been over three years since we granted an easement across our property at considerable inconvenience and disruption. I respectfully ask that you approve this request as soon as possible.

Best regards,

John Kieckhefer
