*Note 1: Same side of road indicates that the water main and meter are located on the same side of the road; Other side of road indicates that the water main and meter are located on opposite sides of the road.

**Note 2: At Cost includes boring costs for crossing paved Yavapai County roads (If the cost to install a water service line is more than the amount authorized by the Commission, due to costs incurred by the utility for excavating an existing Yavapai County paved road, the customer is responsible for paying the actual costs incurred by the utility to meet the Yavapai County Right of Way standards.)
