AZ CORP COMMISSION
DOCKET CONTROL

IN THE MATTER OF THE APPLICATION OF
ARIZONA PUBLIC SERVICE COMPANY FOR
APPROVAL OF NET METERING COST SHIFT
SOLUTION.

DOCKET NO. E-01345A-13-0248

PROCEDURAL ORDER

BY THE COMMISSION:

On April 2, 2015, Arizona Public Service Company ("APS") filed with the Commission in this docket a request that the Lost Fixed Cost Recovery ("LFCR") mechanism adjustment authorized by Decision No. 74202 (December 3, 2013) be reset, from \$.70 per kW to \$3 per kW, effective August 1, 2015 ("Reset Application").

Intervention has been granted to Lewis M. Levenson, Arizona Solar Deployment Alliance ("ASDA"), Arizona Competitive Power Alliance ("AzCPA"), Patty Ihle, Tucson Electric Power ("TEP"), UNS Electric, Inc. ("UNSE"), the Residential Utility Consumer Office ("RUCO"), The Alliance for Solar Choice ("TASC"), Solar Energy Industries Association ("SEIA"), Western Resource Advocates ("WRA"), the Interstate Renewable Energy Council, Inc. ("IREC"), Arizona Solar Energy Industries Association ("AriSEIA"), Sun City West Property Owners and Residents Association ("PORA"), and Albert E. Gervenak.

On April 28, 2015, a Procedural Order was issued setting a briefing schedule and setting a procedural conference for oral argument.

On June 12, 2015, a procedural conference convened as scheduled, and APS, AZCPA, ASDA, WRA, TASC, SEIA, RUCO, and Staff appeared through counsel and provided oral argument in support of their respective positions.

On August 3, 2015, a Recommended Order was docketed by the Commission's Hearing Division.

Arizona Corporation Commission
DOCKETED

AUG 17 2015

DOCKETED BY *Btu*

1 On August 7, 2015, Applications to Intervene were filed by Renz Jennings and William
2 Mundell (“Jennings/Mundell Intervention Requests”).

3 On August 12, 2015, AzCPA filed Exceptions to the Recommended Order.

4 On August 13, 2015, RUCO and APS filed Exceptions to the Recommended Order.

5 On August 13, 2015, Sunrun, Inc. (“Sunrun”) filed a Motion to Intervene.

6 The Jennings/Mundell Intervention Requests state that they are customers of APS, and that
7 the cost of their service will be directly and substantially affected by the outcome of this proceeding.
8 Sunrun’s Motion to Intervene states that it is one of the largest installers of distributed solar systems
9 in Arizona and the nation, and that it is uniquely positioned to offer insight to the Commission in this
10 proceeding.

11 The timing of the Jennings/Mundell/Sunrun Intervention Requests is unusual in that they were
12 all submitted well after the filing of briefs and the taking of oral argument, and after the issuance of
13 the pending Recommended Order. However, no deadline for intervention has yet been established in
14 this docket.

15 To date, no objections to any of the pending Intervention Requests have been filed, and it is
16 reasonable to grant Mr. Jennings, Mr. Mundell, and Sunrun intervention at this time. The
17 intervenors are reminded that, pursuant to Arizona Administrative Code R14-3-105(B), the issues
18 being considered at this time may not be unduly broadened. Further, due to the timing of their
19 intervention requests, the intervenors must take the record as it currently exists, and they will not be
20 entitled, as the other intervenors were previously, to file briefs or offer oral arguments on the issues
21 pending before the Commission. However, the Commission may, in its discretion, allow Mr.
22 Jennings, Mr. Mundell, and Sunrun to participate in the August 18 and 19, 2015 Open Meeting at
23 which the pending Recommended Order is currently scheduled to be considered.

24 IT IS THEREFORE ORDERED that the Intervention Requests filed by Renz Jennings,
25 William Mundell, and Sunrun, Inc. are hereby granted, subject to the qualifications discussed above.

26 ...

27 ...

28 ...

1 IT IS FURTHER ORDERED that the Administrative Law Judge may rescind, alter, amend,
2 or waive any portion of this Procedural Order either by subsequent Procedural Order or by ruling at a
3 hearing.

4 DATED this 17th day of August, 2015.
