Nature Of Opinion:

Docket Number: W-03443A-15-0271

Docket Position: Against

The Appaloosa Water Company has a monopoly on Appaloosa Meadows and the service that they have provide my home since 4/30/2013 has been less then acceptable. The water pressure is low requiring to use more water then needed which causes my water bill to be higher and I have had this problem checked and it is not a problem with my plumbing but just low water pressure. Inclosing the owner of Appaloosa Water company is not a very nice gentlemen and in my opinion doesn't care about the service he is suppose to be providing is very much in adequate. Sincerely Arthur D. Smith
