Subject: Please Support TEP's Energy Efficiency Program, Docket No. E-01933A-15-0178

Dear Chairwoman Bitter Smith and Commissioners:

My name is Corliss Jenkins-Sherry and I am a TEP customer.

I urge you to support expanding TEP's energy efficiency programs and policies. These efficiency programs create jobs in Arizona communities and help our economy overall by keeping more of our energy dollars right here in our state. Finally, because they save energy and reduce demand for electricity, these programs help drive down energy costs for everyone.

I personally have utilized the energy efficiency program and received a discount on attic insulation and I have seen a reduction in my energy use.

Please work to allow the expansion of cost-effective energy efficiency programs in the TEP service area and approve funding to continue existing programs.

Thank you for your consideration,

Corliss Jenkins-Sherry
