Subject: Request for Ground Water Drinking Water Inspection at North Bay Estates (PWS 04-049)

To Whom it May Concern:

Tonto Basin Water Company recently received approval from the Arizona Corporation Commission for new rates. In that decision, the ACC included a compliance item requiring the Company (Tonto Basin Water Co., Inc.) to request ADEQ perform a site inspection of its water system serving North Bay Estates (PWS 04-049). I am writing this letter to formally request this inspection.

Tonto Basin is happy to arrange for ADEQ's inspection, and provide personnel to meet your representative on-site. Please contact Diego Dominick (lead operator) at (928) 951-6503 to set up a time and date. Also, feel free to contact me if you have any other questions.

Thank you,
