Re: Decision No. 73278, Docket No. L-00000F-97-0088-00000
Notice of sign posting – Franconia Substation to the Griffith Substation Corridor and the future site of the proposed Franconia Substation

Pursuant to Decision No. 73278 (July 30, 2012) UNS Electric, Inc. (“UNS Electric”) is required to report on sign replacement annually as originally directed in Decision No. 69721 (July 30, 2007). The signs shall advise the public of the following:

- (a) That the site has been approved for the construction of a 230kV/69kV double circuit transmission line from the Griffith Substation to the Franconia Substation;
- (b) The expected date of completion of the facilities;
- (c) A phone number for public information regarding the facilities;
- (d) The name of the project;
- (e) The name of the Applicant; and
- (f) The Applicant’s website.

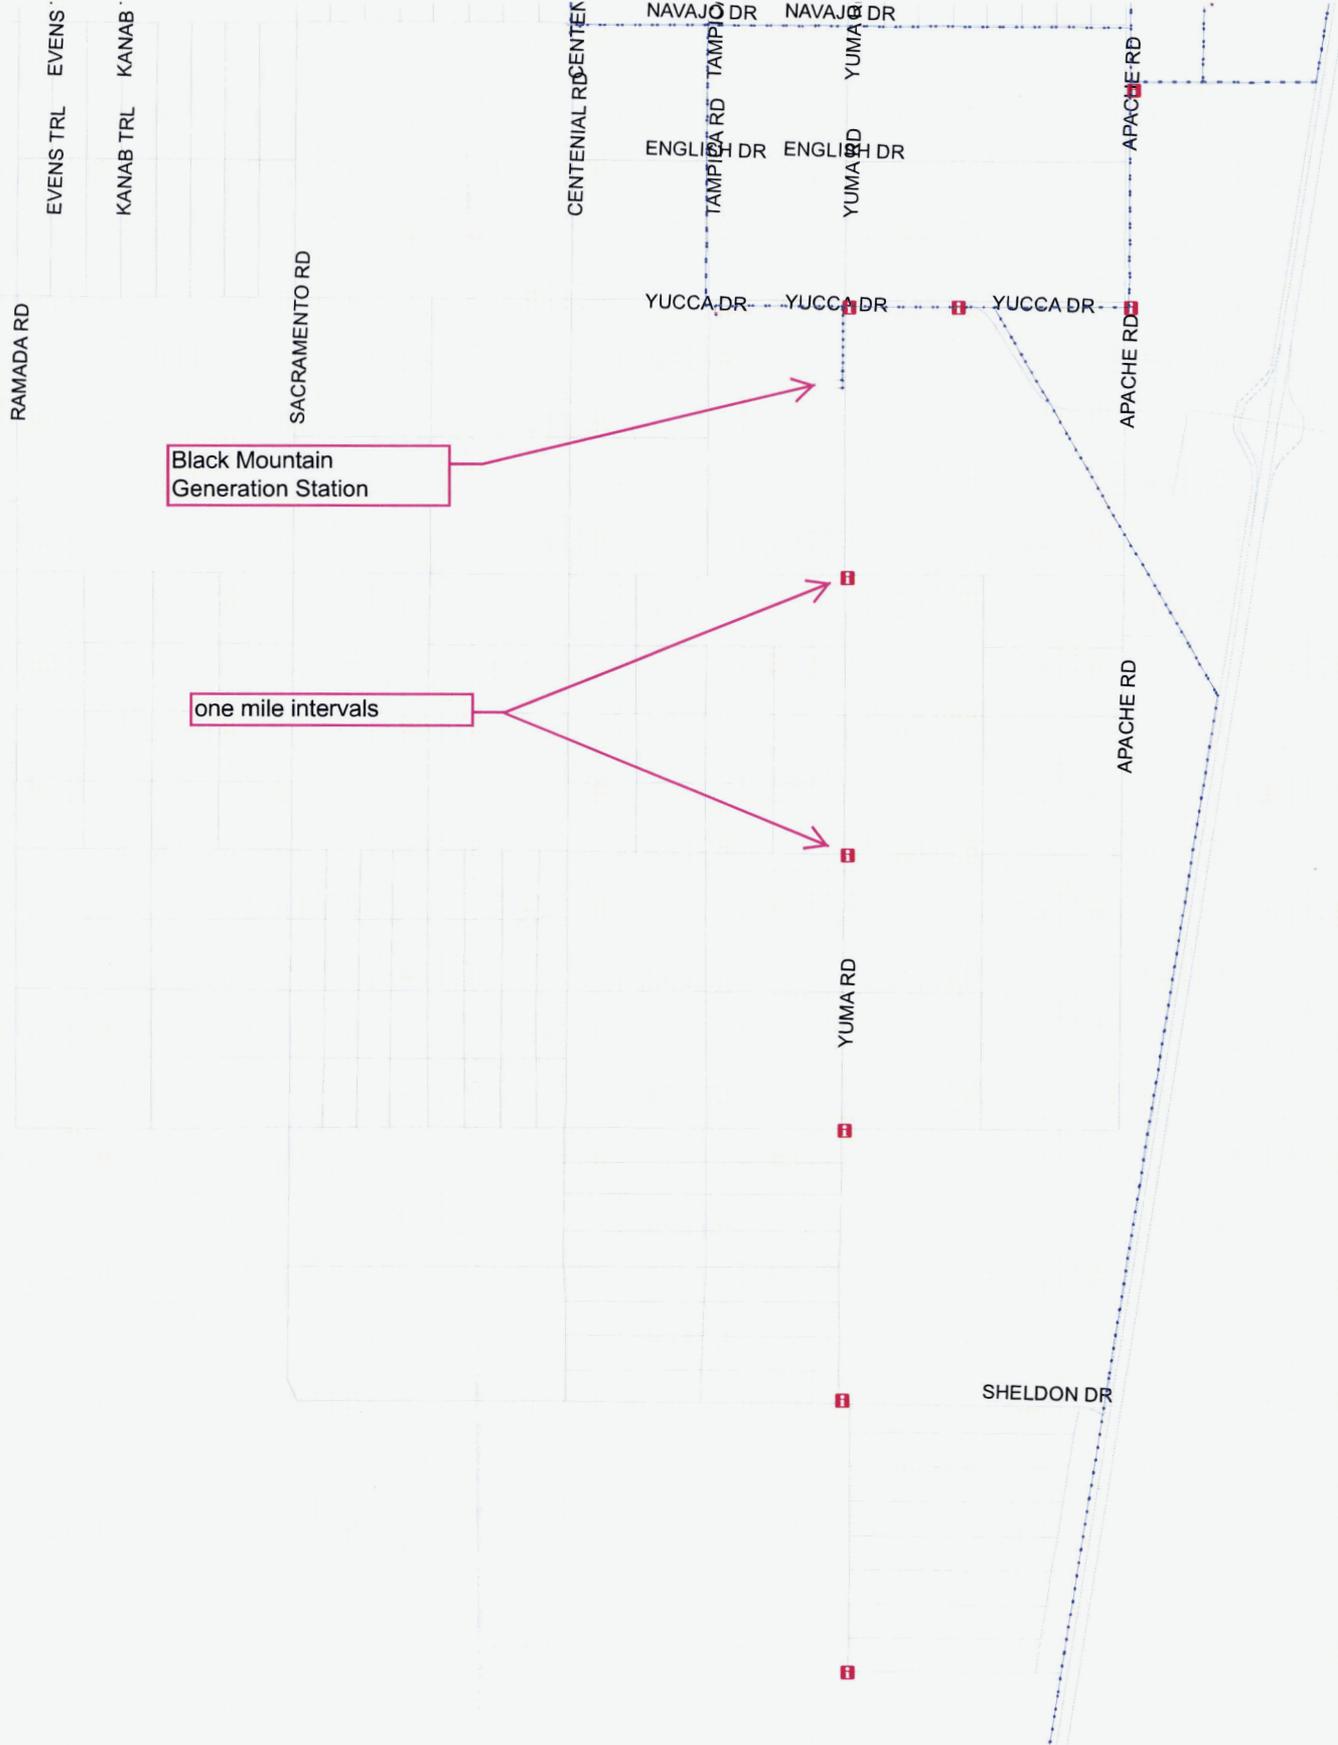

UNS Electric continues to be in compliance with these requirements. Enclosed are several updated photographs of the signs and maps that reflect the location of the signs posted along the proposed transmission line.

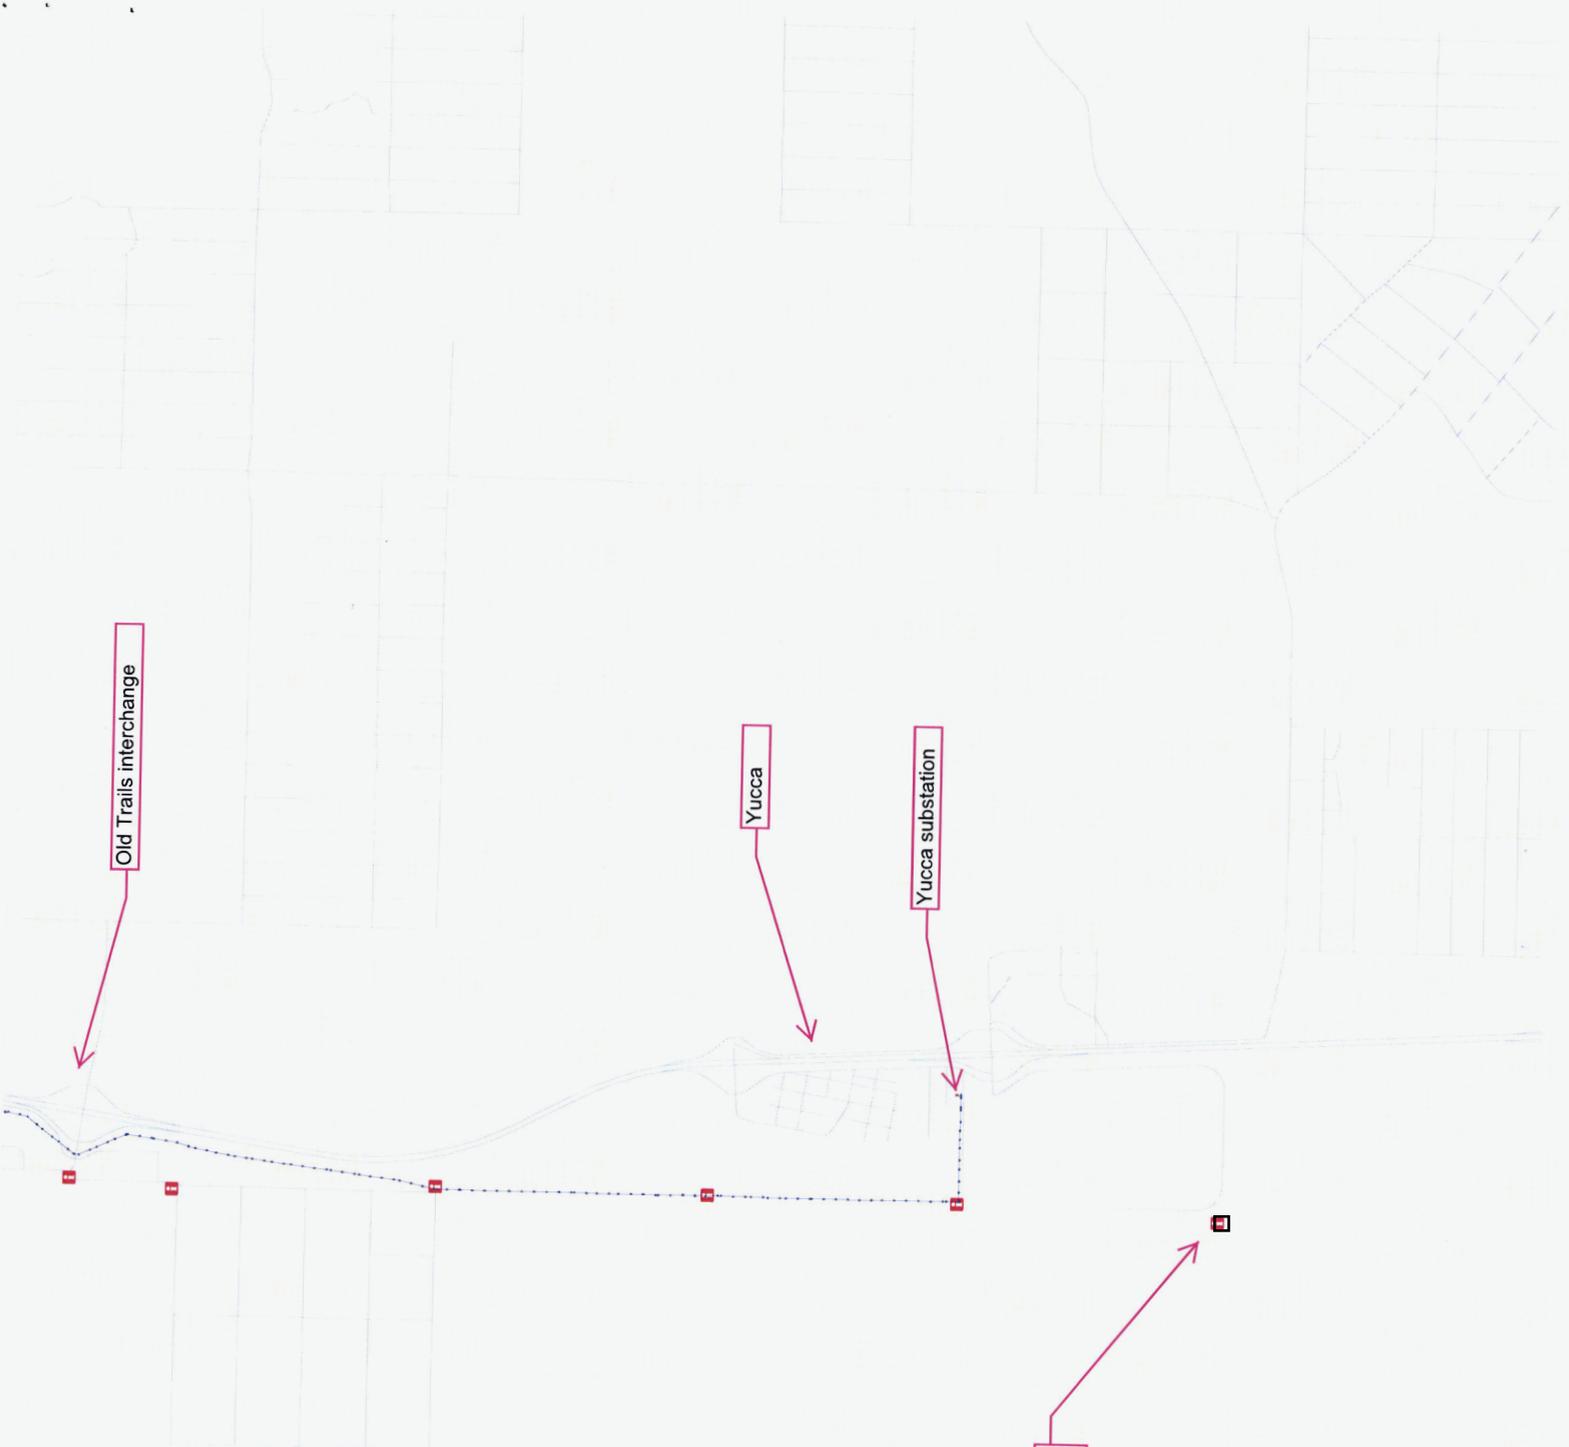

If you have any questions, please do not hesitate to contact me at (520) 884-3680.

Sincerely,

Melissa Morales
