DOCKETED BY

Re: *Semi-Annual Report of the Morenci Water & Electric Company*  
*Pursuant to A.A.C. R14-2-1618.D Docket E-01049A-01-0271 Decision #63635*  
*Period: January 1, 2015 through June 30, 2015*

Dear Mr. Bozzo:

The Morenci Water & Electric Company (MW&E) submits the following semi-annual report pursuant to A.C.C. R14-2-1618D, Docket E-01049A-01-0271, Decision #63635 for period January 1 through June 30, 2015. MW&E sold 1,289,781,291 kWhs to retail customers and collected \$34,790.32 from residential, commercial and industrial customers from the Renewable Energy Standard Surcharge.

MW&E did not spend any funds associated with the Renewable Energy Standard Surcharge.

MW&E does not generate any power; rather it purchases power on the wholesale market. MW&E has requested information from its wholesale provider about the percentage of purchased power that would meet the environmental portfolio definition. MW&E has been informed that energy that meets the environmental portfolio is not provided in the total mix of firm and non-firm power purchased by MW&E.

Although, MW&E does not presently purchase this type of energy, MW&E will work with our providers to determine the availability. If not available, MW&E may seek a temporary waiver for this requirement.

Please contact me if you have any questions or concerns.

Sincerely,

Jeff Kincaid

Senior Supervisor - Accounting
