Dear Sir/Madam:

We are writing to you to request a telephonic hearing for the procedural conference that has been scheduled for our company for this Thursday, October 22, 2015 at 10:00 am. With less than a week's notice, and the costs we would incur with the distance involved, we would not be able to attend in person. Also, at this time, we have a well under repair, leaving our services operating on only one well which is giving out low water pressure. We are working with Navajo Pump to expedite this repair and dealing with a customer service crisis.

We have spoken to staff and they indicated they would support the telephonic hearing.

Thank you,

Eileen Sparks
Golden Shores Water Co.
