Nature Of Opinion

Docket Number: W-02351A-11-0231 **Docket Position:** Neutral

I have a few comments regarding the proposed rate case for Picacho Peak Water Company, Docket Number W-02351-11-0231.

- 1) Picacho Peak RV Park is currently a consecutive water system (PWS ID# AZ0411038). We purchase water from Picacho Peak Water Company (PWS ID# AZ0411038). We have installed and paid for our own R.O. system and do all our own testing and therefore we request to be billed based on "Bulk Water" rate.
- 2) The Ostrich Farm is currently filling their 4,000 gallons water truck from the pressure tank (located at the well head) with no meter or backflow prevention which could contaminate the entire system. We request that the Ostrich farm fill up at a fire hydrant with a meter and proper backflow device.

Sincerely,
Michael Wirth
Picacho Peak RV
