Re:

Sun Zia Transmission Line

Arizona Corporation Commission

**DOCKETED**

OCT 26 2015

Dear Arizona Corporation Commission;

Greetings, The Willcox Chamber of Commerce and Agriculture wants to thank you for having a public hearing regarding the Sun Zia Transmission Line Project in Willcox, AZ. It allowed for rural citizens and local governments to voice their concerns or support for the project without traveling a great distance to do so.

The Willcox Chamber of Commerce and Agriculture has a concern about one person who spoke about the Sun Zia Project and the Chamber would like to clarify who can officially speak for the Willcox Chamber of Commerce and Agriculture to include Wings Over Willcox which is wholly owned and operated by the Willcox Chamber of Commerce and Agriculture. There is a concern that a Mr. Homer Hansen may have insinuated that he had a connection to Wings Over Willcox. Mr. Hansen is a former volunteer who has never had any authority to speak on behalf of Wings Over Willcox. Only the Executive Director or the Chamber President may speak on any issues related to Wings Over Willcox or the Willcox Chamber of Commerce and Agriculture.

The Willcox Chamber of Commerce and Agriculture is requesting that the record reflect that Mr. Hansen is not nor has been an official to speak about Wings Over Willcox and any ornithological, conservation, environmental, or any other way related to Wings Over Willcox. Thank you for your careful consideration of our request.

Sincerely,

Alan Baker, Executive Director
