Hi Laura;

I am hoping you are still up to see this. Before I submit this comment I wanted you to see it and give me some feed back. The following is the comment that I was going to submit.

This comment is in reference to DOCKET NO. W-01445A-14-0305 which the city of Globe wants to amend decision no. 33424 pursuant to A.R.S. 40-252. My physical address is 5292 Young Street, Midland City. We are serviced by AZ Water Co. for our water. We have NO sewer service in the entire area so it is only water that we get from AZ Water Co. I would like to make it know that I do not wish to have The City of Globe to be granted the rights to provide our water &/or sewer. I am very happy with the water service that we receive from AZ Water Co and see no reason to make a change to begin being serviced from the City of Globe. I am not sure of why at this point Globe wants to take over servicing this area but we do not want nor need the change...IF IT IS NOT BROKE WHY TRY TO FIX IT!

Thanks
Jenny
