19 Pursuant to A.A.C. R14-3-105, The Alliance for Solar Choice ("TASC") hereby makes its
20 Application for Leave to Intervene (the "Application") in the above captioned proceedings (the
21 "Proceeding").

22 TASC is a solar energy advocacy association. TASC's membership represents the majority
23 of the nation's rooftop solar market and includes Demeter Power, Silevo, SolarCity, Solar
24 Universe, Sunrun, Verengo and ZEP Solar. These companies are important stakeholders in
25 Arizona's rooftop solar industry. Additionally, TASC's members are responsible for thousands of
26 residential, school, church, government and commercial solar installations in the State. Together,
27 TASC's members have brought hundreds of jobs and many tens of millions of dollars of
28 investment to Arizona's cities and towns.

1 TASC is entitled to intervene because TASC is directly and substantially affected by the
2 Proceeding and TASC's intervention will not unduly broaden the issues presented. In support of
3 this Application, TASC submits the following information.

4
5 **I. TASC is Directly and Substantially Affected**

6 In the Application, Garkane Energy Cooperative, Inc. ("Garkane") seeks to alter rate
7 structures for solar customers and end the policy of net metering in its service territory, all of which
8 will negatively impact TASC members and their customers.

9
10 **II. TASC's Intervention can Assist the Commission**

11 TASC is uniquely well positioned to offer insight to assist the Commission in its evaluation
12 of the issues in the Proceedings.

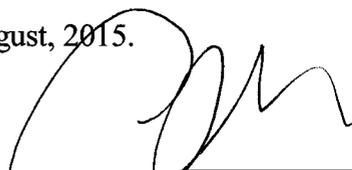

13
14 **III. TASC's Intervention Will Not Expand These Proceedings**

15 Granting TASC intervenor status will not delay this proceeding, unduly broaden the issues,
16 or prejudice other parties to the Docket.

17
18 Service of all documents or pleadings should be made to TASC counsel at the following
19 address:
