IN THE MATTER OF THE COMMISSION'S  
INVESTIGATION OF VALUE AND COST OF  
DISTRIBUTED GENERATION.

DOCKET NO. E-00000J-14-0023

STAFF'S SUPPLEMENTAL COMMENTS

On November 13, 2015, the Arizona Corporation Commission ("ACC" or "Commission")

Staff filed comments on the procedural issues raised in the Commission's October 28, 2015

Procedural Order. Staff provides the following supplemental comments on the proposed timeframe for this proceeding.

Staff's original proposed procedural schedule contemplated initial filings by parties on December 22, 2015; responsive testimony on January 29 2016 and a Hearing on February 10, 2016. While Staff desires to process this case as quickly as possible so that the findings might inform future cases on the issues raised; the issues are complex and sufficient time should be allocated to address these matters.

Further, Staff has retained a consultant for assistance. However, that consultant is now assisting Staff with other cases pending before the Commission. In addition, the Utilities Division Director Thomas Broderick intends to file testimony in this docket and these other matters as well.

Accordingly, Staff proposes the following schedule.

|   |                  |
|---|------------------|
| Proposed Cost/Value of DG Studies or Methodologies and Supporting Testimony | January 29, 2015 |
| Responsive Testimony and Alternate Proposals                                | March 25, 2016   |
| Hearing   | April 6, 2016    |

26 ...  
27 ...  
28 ...

1 Staff requests that the procedural schedule take into account these additional modifications for  
2 the reasons stated above.

3 RESPECTFULLY SUBMITTED this 24<sup>th</sup> day of November, 2015.
