**Re: Arizona Corporation Commission Docket WS-02987A-15-0261**

Dear Kay:

On July 13, 2015, Brian Rak filed a formal complaint against Johnson Utilities, L.L.C., in the above-referenced docket. The Company received a copy of the complaint along with your transmittal letter on July 17, 2015. You requested a response from the Company within 20 days of its receipt of the complaint, which is today. While I have been working with the Company to prepare an answer to the complaint, we will need a short extension of time to answer. I have attempted without success to reach Mr. Rak via telephone and e-mail. I have left a voice mail message and sent an e-mail message seeking to confirm that he does not object to a brief extension through and including Friday, August 14, 2015. However, as of the time of this filing, I have not received a response. The purpose of this letter is to provide notice that Johnson Utilities will file its answer on or before August 14, 2015.

An original and 13 copies of this letter are being filed with Docket Control and a copy is being mailed to Mr. Rak.

Very truly yours,
