Nature Of Opinion:

Docket Number: W-02181A-15-0216

Docket Position: Against

Customer has a few problems with the submitted application by the company for an increase in rates. He does not believe the application proves what the revenues are. He states \$30K was lent to the co. with \$5K left over for the installation of a purchased back up generator and drain system . He is ok with this generator purchase but feels there needs to be an auditing process, as the numbers do not equate to the request.
