Nature Of Opinion:

Docket Number: W-03443A-15-0271

Docket Position: Against

I am writing this letter in response to a proposed reate increase of over 100% for Appaloosa Meadows Water Co. In China Valley, Arizona. As a home owner in this development, I am very concerned with this proposal and question how Mr. Cordovanna (spelling?) can continue as president and CEO of the water company. Mr. Cordovanna is a convicted felon having committed murder (his father-in-law), spent time in prison (reported by the ACC that a convicted felon cannot be head of a utility), has been reported to the ACC on numerous occasions for abuse of his leadership, not complying with ACC orders to reduce the arsenic content of the water, not indiscriminantly changing out individual water meters to increase his water charges and income and generally running the company as a dictator

I do know the City of Chino Valley would buy the water company, but Mr. Cordvanna sees multiple income possibilities and will not correct the problems cited by the ACC.

I write this for your knowledge and action on the activities of Mr. Cordovanna.

Thank you for your attention to this matter.

Sincerely,

Michael W. Pitts
