Nature Of Opinion:

Docket Number: W-03443A-15-0271

Docket Position: Against

100% increase. What Company doesn't want a 100% increase. The Company complains about how expensive arsenic is to remove from the system, hey that's apart of doing business, it's the cost of running a water company. With this Company there is no verification on the loss of revenue. The fact that they did not have an outside Company audit them should say something. The ACC should require an outside audit of this Company.
