Pursuant to A.A.C. R14-3-105, the Arizona Investment Council ("AIC") applies to the Commission for an Order granting it leave to intervene in this proceeding. In support of its Motion, AIC states as follows:

1. AIC's missions include the promotion of policies that encourage utility investment and infrastructure development in Arizona, as well as to represent the interests of debt and equity investors in Arizona utilities. AIC's nearly 6,000 members include Arizona utility service providers and individuals who hold stock or debt instruments in these utilities.

2. AIC and its members have a substantial interest in this proceeding. The Commission's decision in this case sends important signals to capital markets concerning Arizona's regulatory attitude on important policy issues surrounding net metering, distributed generation, utility investment, and the evolution of utility rate design - issues that are being closely watched by the utility investment community.

3. No other party can adequately represent the interests of AIC's members in this docket. Its participation will not unduly broaden the issues presented.
