Re: Tariff Revision; Telrite Corporation d/b/a Life Wireless;
Docket No. T-04288A

Attached are revised tariff pages to reflect Telrite Corporation d/b/a Life Wireless' ("Life Wireless") change to its existing free minute service offerings to eligible Lifeline customers. Life Wireless is increasing its 250 minute Lifeline talk & text plan to 500 minutes talk and text without rollover for both new and existing subscribers. Existing 250 minute Lifeline customers will receive a text message prior to their next recharge date informing them they will also begin receiving 500 free minutes each month. Because of the benefit to the subscribers, we would like to make these changes effective immediately. Enclosed is a sample advertisement of the new 500 minute plan.

Please let me know if you have questions or need additional information.

Sincerely,

J. Andrew Gipson
