DOCKETED BY

Please find the following documents attached:

- Well b1 – ADEQ Approval of Construction – New Well
- Well 1 – ADEQ Approval of Installation – 5,000 Gallon Storage
- Well 2 – ADEQ Approval of Construction

This document is being filed in accordance with Decision No. 74261 Page 27, Line 5 to Line 7.

I apologize for the delinquency in filing these documents.

Work on these projects was fully completed on 7/22/15 and final AOC was issued 8/11/15. Final WIFA Loan Distribution was received on 9/3/15.

Thank you,

Carol E Cowan  
President/Manager

Re: Additional Storage Tank for Holiday Water Co.

Dear Applicant:

The Arizona Department of Environmental Quality has examined your submittal package for the above referenced project as you have requested. A review of this submittal indicates that at the present time, it appears your project meets the requirements of the exemption from the plan review as specified in R18-5-595(B)(3) of the Arizona Administrative Code (AAC).

Please note that neither an Approval to Construct (ATC) nor an Approval of Construction (AOC) will be issued as per the Arizona Revised Statute (ARS) §49-353(2) (e) & (f). Compliance with ADEQ's rules and regulations is appreciated. Your submittal package will be kept on record.

If you have any questions or comments, please contact me at 628-6723.

Sincerely,

Raymond D. Morgan, P.E.  
Regional Engineering Coordinator

## APPROVAL OF CONSTRUCTION

**Project Description:** Installation of approximately 50 LF of 3" PVC transmission line and one new groundwater production well (55-223584). The new well was equipped with a new 20-hp submersible well pump that produces approximately 100-gpm @ TDH = 472. The new well was source tested and ready for connection to the EPDS #1 to serve 160 single family residential lots in the Tombstone-Holiday Water Company area.

**Location:** Tombstone, Cochise County, AZ

**Project Owner:** Holiday Water Company  
**Address:** P O Box 309, Tombstone, AZ 85638

The Arizona Department of Environmental Quality (ADEQ) hereby issues an Approval of Construction for the above-described facility based on the following provisions of Arizona Administrative Code (A.A.C.) R18-5-507 et seq.

On December 9, 2014, ADEQ issued a Certificate of Approval to construct for the referenced project.

On January 20, 2015, Jeffrey W. Bower, P.E., certified the following:

- A final construction inspection was conducted on January 19, 2015;
- The referenced project was constructed according to the as-built plans and specifications and ADEQ's Certificate of Approval to Construct;
- Water system pressure and leakage tests were conducted on January 19, 2015 and the results were within the allowable leakage rates; and
- The applicant has the right to appeal this AOC Permit. Appeal information is on the reverse side of this Permit.

Microbiological samples were collected and analyzed on January 15, 2015, January 16, 2015, and January 19, 2015, by Turner Laboratories, ADHS License No. AZ0066, AZ0432. The sample results were negative for total coliform.

This Approval of Construction authorizes the owner to begin operating the above-described facilities as represented in the approved plan on file with the ADEQ. Be advised that A.A.C. R18-5-124 requires the owner of a public water system to maintain and operate all water production, treatment and distribution facilities in accordance with ADEQ Safe Drinking Water Rules.

## APPROVAL OF CONSTRUCTION

**Project Description:** Water System Upgrades-Well No. 2 Site to serve the Holiday Water Co-Tombstone

**Location:** City of Tombstone, AZ - Cochise County

**Project Owner:** Holiday Water Company  
**Address:** P O Box 309, Tombstone, AZ 85623

The Arizona Department of Environmental Quality (ADEQ) hereby issues an Approval of Construction for the above-described facility based on the following provisions of Arizona Administrative Code (A.A.C.) R18-5-507 et seq.

On July 22, 2015, Jeff Bower, P.E., certified that the project was built according to the as-built plans and specifications and ADEQ's Certificate of Approval to Construct.

On August 11, 2015, ADEQ issued a Certificate of Approval of Construction for the referenced project.

This Approval of Construction authorizes the owner to begin operating the above-described facilities as represented in the approved plan on file with the ADEQ. Be advised that A.A.C. R18-4-203 requires the owner of a public water system to maintain and operate all water production, treatment and distribution facilities in accordance with ADEQ Safe Drinking Water Rules.
