Docket Position: Against

Doc # W-03443A-15-0271 Appaloosa Water Company wants to double water rates to cover \$6917.00 cost of increase revenue due to arsenic maintenance costs. First off, my understanding the Owner is taking water from the well for his own personal use from Appaloosa Meadow Subdivision. Please set us all in this subdivision as to whether this is true. Second, these rates are outlandish! I realize one does not get rich owning a water company, however, this particular person has always tried to stick it to us homeowners. Good grief, get real here!!!! Keep this man in line and lets justify what is right!
