Re: Docket No. E-01345A-13-0248

DOCKETED BY *MA*

To Whom it may Concern:

After a thorough review of the record, and having fully considered these matters, I have determined that there are no grounds for disqualification or recusal that would prevent me from participating in this decision (Decision No. 75251).

In fact, my obligation under the state constitution is to make an informed vote on this issue. Nonetheless, at no point did I close my mind to the matter. I was also fair and impartial in this decision, without bias or prejudice.

Sincerely,

Tom Forese
Commissioner
