DECISION NO. 75312

ORDER

Open Meeting
October 20 and 21, 2015
Phoenix, Arizona

BY THE COMMISSION:

* * * * *

Having considered the entire record herein and being fully advised in the premises, the Arizona Corporation Commission ("Commission") finds, concludes, and orders that:

FINDINGS OF FACT

1. On December 9, 2003, in Decision No. 66611, issued in Docket No. T-04172A-03-0153, TelLogic, Inc. dba Quality Telephone ("TI") was granted a Certificate of Convenience and Necessity ("CC&N") to provide resold local exchange telecommunications services within the state of Arizona. In the Decision, TI was required to procure a \$25,000 performance bond and file proof of the performance bond, within 365 days after the effective date of the Decision or within 30 days before providing service, whichever came first.

2. On April 8, 2009, TI filed proof of a \$25,000 performance bond, effective March 31, 2009 to May 31, 2010.

3. On April 15, 2015, TI filed with the Commission a letter requesting to cancel its CC&N, stating that TI ceased providing resold local exchange telecommunications services by no later than September 7, 2012 and has no customers in Arizona. In its letter, TI requested a waiver of the notice requirements in Arizona Administrative Code ("A.A.C.") R14-2-1107, asserting that TI no longer had

1 customers with which to provide notice. Further, pursuant to TI's letter, any documents related to the
2 expired bond and any other bond related documents should be returned to the following name and address:

3 Ms. Joan L. Parker
4 Regulatory Analyst
5 TelLogic, Inc. dba Quality Telephone
6 Post Office Box 130659
7 Dallas, Texas 75313-0659

8 4. On September 10, 2015, Commission's Utilities Division ("Staff") filed a Staff Report
9 in this matter recommending approval of TI's application to cancel its CC&N.

10 5. According to the Commission's Consumer Services Section, zero complaints,
11 inquiries, or opinions were filed against TI for the time period January 1, 2012 through April 22,
12 2015.

13 6. The Commission's Compliance Section reports there are no current compliance
14 delinquencies for TI. Per the Staff Report, the Corporations Division reports that TI's registration has
15 been revoked and that TI is not in good standing for failure to file its 2013, 2014, and 2015 Annual
16 Reports. TI has not filed an Annual Utilities Report with the Utilities Division since April 22, 2011
17 for the year ending December 31, 2010.

18 7. A.A.C. R14-2-1107 requires that an application to discontinue service include
19 verification that all affected customers have been notified of the proposed discontinuance and that all
20 affected customers will have access to an alternative provider. Staff recommends approval of TI's
21 request to cancel its CC&N to provide resold local exchange telecommunications services. Staff also
22 recommends granting TI's request to waive the direct and published notice requirements of A.A.C.
23 R14-2-1107, because TI is not providing resold local exchange telecommunications services to any
24 customers in Arizona.

25 8. To the extent any of TI's bond documents remain on file with the Commission, such
26 documents shall be returned to the name and address requested by TI and that appears in Findings of
27 Fact No. 3.

28 9. Staff's recommendations are reasonable and should be adopted.
