LETTER OF INSUFFICIENCY

Dear Mr. McCabe:

This letter (per section R14-2-103.B.7 of the Arizona Administrative Code) is to inform you that your application, received on October 2, 2015; did not meet the sufficiency requirements as outlined in Arizona Administrative Code R14-2-103. Staff has found a number of deficiencies with the application which are listed on a separate attachment. The 30-day sufficiency determination period will begin anew when the Company corrects the deficiencies and Docket Control receives the original and 15 copies of the corrected pages.

You have 15 calendar days, or until November 12, 2015, to correct the deficiencies, or make other arrangements with Staff to remedy your rate application. If corrections or other arrangements are not made by that date, Staff may seek other avenues to bring your utility into compliance.

The Staff person assigned to your application is Brendan Aladi. He can be reached at (602) 542-0785, or toll free at (800) 222-7000, if you have any questions or concerns.
