Company: SunZia Transmission, LLC

Nature Of Opinion

Docket Number: L-00000YY-15-0318-00171 Docket Position: Against

I am opposed to the currently proposed route for this project through Pinal County. The current route would impact the San Pedro River, our last remaining natural watershed in the region. The proposed route also goes through land which Pinal County's Open Space and Trail Master Plan has designated to be preserved as Open Space. Neither of these impacts are necessary. There are alternate routes for the Sun Zia transmission line which would follow already impacted corridors and not impact either the San Pedro River or Pinal County's proposed Open Space. I recommend that an alternate route be selected.
