---	---	--

Pursuant to A.A.C. R14-3-105, the Energy Freedom Coalition of America ("EFCA") hereby makes its Application for Leave to Intervene (the "Application") in the above captioned proceedings (the "Proceeding").

EFCA is a solar energy advocacy association. EFCA's membership is made up of solar companies including, Silevo, Inc., SolarCity Corporation, ZEP Solar, LLC, and NRG Energy, Inc. These companies are important stakeholders in Arizona's rooftop solar industry. EFCA's members are responsible for thousands of residential, school, church, government and commercial solar installations in the Arizona. Together, EFCA's members have brought hundreds of jobs and many tens of millions of dollars of investment to Arizona's cities and towns.

EFCA is entitled to intervene because EFCA and its members are directly and substantially affected by the Proceeding and EFCA's intervention will not unduly broaden the issues presented. In support of this Application, EFCA submits the following information.

1           **I.       EFCA is Directly and Substantially Affected**

2           EFCA member companies are responsible for the installation of a significant number of  
3 both residential and commercial distributed generation solar systems installed in APS service  
4 territory. As such, EFCA will be directly and substantially impacted and affected by the  
5 Proceeding.

6  
7           **II.       EFCA's Intervention can Assist the Commission**

8           EFCA is uniquely well positioned to offer insight to assist the Commission in its evaluation  
9 of the issues in the Proceedings.

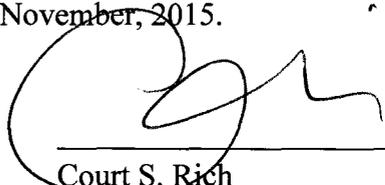

10  
11           **III.       EFCA's Intervention Will Not Broaden These Proceedings**

12           Granting EFCA intervenor status will not unduly broaden the issues or prejudice other  
13 parties to the Docket.

14  
15           Service of all documents or pleadings should be made to EFCA counsel at the following  
16 address:
