2.3 Project Description(s)

To reduce the high amount of water loss, the Company will replace 22 fire hydrants and approximately 222 feet of one-inch polyethylene pipe with K-copper piping. Five isolation valves that are no longer functioning will be replaced, which will help isolate main line breaks without interrupting service to customers and reduce water loss during a main line break.

2.4 Previous Board or Committee Actions

Within the 2010 Technical Assistance Funding Cycle, the Board awarded Clear Springs Water Utility \$23,000 for drinking water technical assistance to complete design and engineering for additional storage, replacement of fire hydrants, and booster and electrical controls.

April 19, 2006 – Board adopted Loan Resolution No. 2006-010 for \$40,640.00 (Loan 920110-06) to install a well pump and make repairs.

December 12, 2000 – Board adopted Loan Resolution No. 2000-028 for \$80,000.00 (Loan No. 920050-01) to install a storage tank and make other system improvements.

LOAN AGREEMENT ADDENDUM

Wage Rate Requirements for Compliance with P.L. 111-88

Water Infrastructure Finance Authority of Arizona

This document (this "Wage Rate Addendum") sets forth additional requirements applicable to state revolving fund Loans made by the Water Infrastructure Finance Authority of Arizona ("WIFA") that are subject to the requirements of federal Public Law 111-88, "Making appropriations for the Department of the Interior, environment, and related agencies for the fiscal year ending September 30, 2010, and for other purposes," enacted October 30, 2009 ("P.L. 111- 88"). The provisions in this Wage Rate Addendum are a part of the Loan Agreement. Capitalized terms not otherwise defined herein shall have the meanings given them in the Loan Agreement.

The parties acknowledge and agree that funds disbursed by WIFA to the Local Borrower will include funds made available to WIFA by the federal government under P.L. 111-88, and that the requirements of P.L. 111-88 include those set forth in this Wage Rate Addendum. The Local Borrower agrees to comply with all of those requirements and agrees that failure to do so is a breach of the provisions of the Loan Agreement which may result in a default under the Loan Agreement, termination of WIFA's obligation to make disbursements on the Loan and the Local Borrower being required to repay all amounts that have been disbursed by WIFA on the Loan, together with interest and fees as provided in the Loan Agreement.

Additional Requirement for Subrecipients that are not Governmental Entities:

Obtaining Wage Determinations - Under this Wage Rate Addendum, the non-governmental borrower must submit its proposed Davis Bacon wage determinations to WIFA for approval prior to including the wage determination in any solicitation, contract task orders, work assignments, or similar instruments to existing contractors. **THIS PARAGRAPH DOES NOT APPLY TO GOVERNMENTAL ENTITIES.**

Section 1. Wage Rate Requirements

The following language must be included in all Davis Bacon covered construction contracts and subcontracts. (29 CFR Part 5.5)

(a) The Local Borrower shall insert in full in any contract in excess of \$2,000 which is entered into for the actual construction, alteration and/or repair, including painting and decorating, of a treatment work under the CWSRF or a construction project under the

DWSRF, or building or work financed in whole or in part from Federal funds or in accordance with guarantees of a Federal agency or financed from funds obtained by pledge of any contract of a Federal agency to make a loan, grant or annual contribution (except where a different meaning is expressly indicated), and which is subject to the labor standards provisions of any of the acts listed in Sec. 5.1, or the FFY 2010 appropriation, the following clauses:

(1) **Minimum wages.** (i) All laborers and mechanics employed or working upon the site of the work will be paid unconditionally and not less often than once a week, and without subsequent deduction or rebate on any account (except such payroll deductions as are permitted by regulations issued by the Secretary of Labor under the Copeland Act (29 CFR part 3)), the full amount of wages and bona fide fringe benefits (or cash equivalents thereof) due at time of payment computed at rates not less than those contained in the wage determination of the Secretary of Labor which is attached hereto and made a part hereof, regardless of any contractual relationship which may be alleged to exist between the contractor and such laborers and mechanics. Contributions made or costs reasonably anticipated for bona fide fringe benefits under section 1(b)(2) of the Davis-Bacon Act on behalf of laborers or mechanics are considered wages paid to such laborers or mechanics, subject to the provisions of paragraph (a)(1)(iv) of this section; also, regular contributions made or costs incurred for more than a weekly period (but not less often than quarterly) under plans, funds, or programs which cover the particular weekly period, are deemed to be constructively made or incurred during such weekly period. Such laborers and mechanics shall be paid the appropriate wage rate and fringe benefits on the wage determination for the classification of work actually performed, without regard to skill, except as provided in Sec. 5.5(a)(4). Laborers or mechanics performing work in more than one classification may be compensated at the rate specified for each classification for the time actually worked therein: Provided, that the employer's payroll records accurately set forth the time spent in each classification in which work is performed. The wage determination (including any additional classification and wage rates conformed under paragraph (a)(1)(ii) of this section) and the Davis-Bacon poster (WH-1321) shall be posted at all times by the contractor and its subcontractors at the site of the work in a prominent and accessible place where it can be easily seen by the workers. Local Borrowers may obtain wage determinations from the U. S. Department of Labor's web site, www.wdol.gov.

(ii)(A) The Local Borrower, on behalf of EPA, shall require that any class of laborers or mechanics, including helpers, which is not listed in the wage determination and which is to be employed under the contract shall be classified in conformance with the wage determination. The WIFA award official shall approve an additional classification and wage rate and fringe benefits therefore only when the following criteria have been met:

- (1) The work to be performed by the classification requested is not performed by a classification in the wage determination; and
- (2) The classification is utilized in the area by the construction industry; and

(3) The proposed wage rate, including any bona fide fringe benefits, bears a reasonable relationship to the wage rates contained in the wage determination.

(B) If the contractor and the laborers and mechanics to be employed in the classification (if known), or their representatives, and the Local Borrower agree on the classification and wage rate (including the amount designated for fringe benefits where appropriate), a report of the action taken shall be sent by the Local Borrower to the WIFA award official. The WIFA award official will transmit the report, to the Administrator of the Wage and Hour Division, Employment Standards Administration, U.S. Department of Labor, Washington, DC 20210 and to the EPA Davis Bacon Regional Coordinator concurrently. The Administrator, or an authorized representative, will approve, modify, or disapprove every additional classification action within 30 days of receipt and so advise the WIFA award official or will notify the WIFA award official within the 30-day period that additional time is necessary.

(C) In the event the contractor, the laborers or mechanics to be employed in the classification or their representatives, and the Local Borrower do not agree on the proposed classification and wage rate (including the amount designated for fringe benefits, where appropriate), the award official shall refer the questions, including the views of all interested parties and the recommendation of the WIFA award official, to the Administrator for determination. The Administrator, or an authorized representative, will issue a determination within 30 days of receipt and so advise the contracting officer or will notify the contracting officer within the 30-day period that additional time is necessary.

(D) The wage rate (including fringe benefits where appropriate) determined pursuant to paragraphs (a)(1)(ii) (B) or (C) of this section, shall be paid to all workers performing work in the classification under this contract from the first day on which work is performed in the classification.

(iii) Whenever the minimum wage rate prescribed in the contract for a class of laborers or mechanics includes a fringe benefit which is not expressed as an hourly rate, the contractor shall either pay the benefit as stated in the wage determination or shall pay another bona fide fringe benefit or an hourly cash equivalent thereof.

(iv) If the contractor does not make payments to a trustee or other third person, the contractor may consider as part of the wages of any laborer or mechanic the amount of any costs reasonably anticipated in providing bona fide fringe benefits under a plan or program, Provided, That the Secretary of Labor has found, upon the written request of the contractor, that the applicable standards of the Davis-Bacon Act have been met. The Secretary of Labor may require the contractor to set aside in a separate account assets for the meeting of obligations under the plan or program.

(2) **Withholding.** The Local Borrower shall upon its own action or upon written request of WIFA, EPA award official or an authorized representative of the Department of Labor withhold or cause to be withheld from the contractor under this contract or any other Federal contract with the same prime contractor, or any other federally-assisted contract subject to Davis-Bacon prevailing wage requirements, which is held by the same prime contractor, so much of the accrued payments or advances as may be considered necessary to pay laborers and mechanics, including apprentices, trainees, and helpers, employed by the contractor or

any subcontractor the full amount of wages required by the contract. In the event of failure to pay any laborer or mechanic, including any apprentice, trainee, or helper, employed or working on the site of the work, all or part of the wages required by the contract, the (Agency) may, after written notice to the contractor, sponsor, applicant, or owner, take such action as may be necessary to cause the suspension of any further payment, advance, or guarantee of funds until such violations have ceased.

(3) **Payrolls and basic records.** (i) Payrolls and basic records relating thereto shall be maintained by the contractor during the course of the work and preserved for a period of three years thereafter for all laborers and mechanics working at the site of the work. Such records shall contain the name, address, and social security number of each such worker, his or her correct classification, hourly rates of wages paid (including rates of contributions or costs anticipated for bona fide fringe benefits or cash equivalents thereof of the types described in section 1(b)(2)(B) of the Davis-Bacon Act), daily and weekly number of hours worked, deductions made and actual wages paid. Whenever the Secretary of Labor has found under 29 CFR 5.5(a)(1)(iv) that the wages of any laborer or mechanic include the amount of any costs reasonably anticipated in providing benefits under a plan or program described in section 1(b)(2)(B) of the Davis-Bacon Act, the contractor shall maintain records which show that the commitment to provide such benefits is enforceable, that the plan or program is financially responsible, and that the plan or program has been communicated in writing to the laborers or mechanics affected, and records which show the costs anticipated or the actual cost incurred in providing such benefits. Contractors employing apprentices or trainees under approved programs shall maintain written evidence of the registration of apprenticeship programs and certification of trainee programs, the registration of the apprentices and trainees, and the ratios and wage rates prescribed in the applicable programs. (ii)(A) The contractor shall submit weekly for each week in which any contract work is performed a copy of all payrolls to the Local Borrower. Such documentation shall be available on request of WIFA or EPA. As to each payroll copy received, the subrecipient shall provide written confirmation in a form satisfactory to the State indicating whether or not the project is in compliance with the requirements of 29 CFR 5.5 (a)(1) based on the most recent payroll copies for the specified week. **The payrolls shall set out accurately and completely all of the information required to be maintained under 29 CFR 5.5(a)(3)(i), except that full social security numbers and home addresses shall not be included on weekly transmittals. Instead the payrolls shall only need to include an individually identifying number for each employee (e.g., the last four digits of the employee's social security number).** The required weekly payroll information may be submitted in any form desired. Optional Form WH-347 is available for this purpose from the Wage and Hour Division Web site at <http://www.dol.gov/whd/forms/wh347.pdf> or its successor site. The prime contractor is responsible for the submission of copies of payrolls by all subcontractors. Contractors and subcontractors shall maintain the full social security number and current address of each covered worker, and shall provide them upon request to the Local Borrower for transmission to WIFA or EPA, if requested by EPA, WIFA, the contractor, or the Wage and Hour Division of the Department of Labor for purposes of an investigation or audit of

compliance with prevailing wage requirements. It is not a violation of this section for a prime contractor to require a subcontractor to provide addresses and social security numbers to the prime contractor for its own records, without weekly submission to the Local Borrower.

(B) Each payroll submitted shall be accompanied by a "Statement of Compliance," signed by the contractor or subcontractor or his or her agent who pays or supervises the payment of the persons employed under the contract and shall certify the following:

(1) That the payroll for the payroll period contains the information required to be provided under Sec. 5.5 (a)(3)(ii) of Regulations, 29 CFR part 5, the appropriate information is being maintained under Sec. 5.5 (a)(3)(i) of Regulations, 29 CFR part 5, and that such information is correct and complete;

(2) That each laborer or mechanic (including each helper, apprentice, and trainee) employed on the contract during the payroll period has been paid the full weekly wages earned, without rebate, either directly or indirectly, and that no deductions have been made either directly or indirectly from the full wages earned, other than permissible deductions as set forth in Regulations, 29 CFR part 3;

(3) That each laborer or mechanic has been paid not less than the applicable wage rates and fringe benefits or cash equivalents for the classification of work performed, as specified in the applicable wage determination incorporated into the contract.

(C) The weekly submission of a properly executed certification set forth on the reverse side of Optional Form WH-347 shall satisfy the requirement for submission of the "Statement of Compliance" required by paragraph (a)(3)(ii)(B) of this section.

(D) The falsification of any of the above certifications may subject the contractor or subcontractor to civil or criminal prosecution under section 1001 of title 18 and section 231 of title 31 of the United States Code.

(iii) The contractor or subcontractor shall make the records required under paragraph (a)(3)(i) of this section available for inspection, copying, or transcription by authorized representatives of WIFA, EPA or the Department of Labor, and shall permit such representatives to interview employees during working hours on the job. If the contractor or subcontractor fails to submit the required records or to make them available, the Federal agency or WIFA may, after written notice to the contractor, sponsor, applicant, or owner, take such action as may be necessary to cause the suspension of any further payment, advance, or guarantee of funds. Furthermore, failure to submit the required records upon request or to make such records available may be grounds for debarment action pursuant to 29 CFR 5.12.

(4) Apprentices and trainees - (i) Apprentices. Apprentices will be permitted to work at less than the predetermined rate for the work they performed when they are employed pursuant to and individually registered in a bona fide apprenticeship program registered with the U.S. Department of Labor, Employment and Training Administration, Office of Apprenticeship Training, Employer and Labor Services, or with a State Apprenticeship Agency recognized by the Office, or if a person is employed in his or her first 90 days of probationary employment as an apprentice in such an apprenticeship program, who is not individually registered in the program, but who has been certified by the Office of Apprenticeship

Training, Employer and Labor Services or a State Apprenticeship Agency (where appropriate) to be eligible for probationary employment as an apprentice. The allowable ratio of apprentices to journeymen on the job site in any craft classification shall not be greater than the ratio permitted to the contractor as to the entire work force under the registered program. Any worker listed on a payroll at an apprentice wage rate, who is not registered or otherwise employed as stated above, shall be paid not less than the applicable wage rate on the wage determination for the classification of work actually performed. In addition, any apprentice performing work on the job site in excess of the ratio permitted under the registered program shall be paid not less than the applicable wage rate on the wage determination for the work actually performed. Where a contractor is performing construction on a project in a locality other than that in which its program is registered, the ratios and wage rates (expressed in percentages of the journeyman's hourly rate) specified in the contractor's or subcontractor's registered program shall be observed. Every apprentice must be paid at not less than the rate specified in the registered program for the apprentice's level of progress, expressed as a percentage of the journeymen hourly rate specified in the applicable wage determination. Apprentices shall be paid fringe benefits in accordance with the provisions of the apprenticeship program. If the apprenticeship program does not specify fringe benefits, apprentices must be paid the full amount of fringe benefits listed on the wage determination for the applicable classification. If the Administrator determines that a different practice prevails for the applicable apprentice classification, fringes shall be paid in accordance with that determination. In the event the Office of Apprenticeship Training, Employer and Labor Services, or a State Apprenticeship Agency recognized by the Office, withdraws approval of an apprenticeship program, the contractor will no longer be permitted to utilize apprentices at less than the applicable predetermined rate for the work performed until an acceptable program is approved.

(ii) Trainees. Except as provided in 29 CFR 5.16, trainees will not be permitted to work at less than the predetermined rate for the work performed unless they are employed pursuant to and individually registered in a program which has received prior approval, evidenced by formal certification by the U.S. Department of Labor, Employment and Training Administration. The ratio of trainees to journeymen on the job site shall not be greater than permitted under the plan approved by the Employment and Training Administration. Every trainee must be paid at not less than the rate specified in the approved program for the trainee's level of progress, expressed as a percentage of the journeyman hourly rate specified in the applicable wage determination. Trainees shall be paid fringe benefits in accordance with the provisions of the trainee program. If the trainee program does not mention fringe benefits, trainees shall be paid the full amount of fringe benefits listed on the wage determination unless the Administrator of the Wage and Hour Division determines that there is an apprenticeship program associated with the corresponding journeyman wage rate on the wage determination which provides for less than full fringe benefits for apprentices. Any employee listed on the payroll at a trainee rate who is not registered and participating in a training plan approved by the Employment and Training Administration shall be paid not less than the applicable wage rate on the wage determination for the classification of work actually performed. In addition, any trainee performing work on the job site in excess of the

ratio permitted under the registered program shall be paid not less than the applicable wage rate on the wage determination for the work actually performed. In the event the Employment and Training Administration withdraws approval of a training program, the contractor will no longer be permitted to utilize trainees at less than the applicable predetermined rate for the work performed until an acceptable program is approved.

(iii) Equal employment opportunity. The utilization of apprentices, trainees and journeymen under this part shall be in conformity with the equal employment opportunity requirements of Executive Order 11246, as amended, and 29 CFR part 30.

(5) Compliance with Copeland Act requirements. The contractor shall comply with the requirements of 29 CFR part 3, which are incorporated by reference in this contract.

(6) Subcontracts. The contractor or subcontractor shall insert in any subcontracts the clauses contained in 29 CFR 5.5(a)(1) through (10) and such other clauses as the EPA determines may be appropriate, and also a clause requiring the subcontractors to include these clauses in any lower tier subcontracts. The prime contractor shall be responsible for the compliance by any subcontractor or lower tier subcontractor with all the contract clauses in 29 CFR 5.5.

(7) Contract termination: debarment. A breach of the contract clauses in 29 CFR 5.5 may be grounds for termination of the contract, and for debarment as a contractor and a subcontractor as provided in 29 CFR 5.12.

(8) Compliance with Davis-Bacon and Related Act requirements. All rulings and interpretations of the Davis-Bacon and Related Acts contained in 29 CFR parts 1, 3, and 5 are herein incorporated by reference in this contract.

(9) Disputes concerning labor standards. Disputes arising out of the labor standards provisions of this contract shall not be subject to the general disputes clause of this contract. Such disputes shall be resolved in accordance with the procedures of the Department of Labor set forth in 29 CFR parts 5, 6, and 7. Disputes within the meaning of this clause include disputes between the contractor (or any of its subcontractors) and the Local Borrower, WIFA, EPA, the U.S. Department of Labor, or the employees or their representatives.

(10) Certification of eligibility. (i) By entering into this contract, the contractor certifies that neither it (nor he or she) nor any person or firm who has an interest in the contractor's firm is a person or firm ineligible to be awarded Government contracts by virtue of section 3(a) of the Davis-Bacon Act or 29 CFR 5.12(a)(1).

(ii) No part of this contract shall be subcontracted to any person or firm ineligible for award of a Government contract by virtue of section 3(a) of the Davis-Bacon Act or 29 CFR 5.12(a)(1).

(iii) The penalty for making false statements is prescribed in the U.S. Criminal Code, 18 U.S.C. 1001.

(b) Contract Work Hours and Safety Standards Act. The Local Borrower shall insert the following clauses set forth in paragraphs (b)(1), (2), (3), and (4) of this section in full in any contract in an amount in excess of \$100,000 and subject to the overtime provisions of the Contract Work Hours and Safety Standards Act. These clauses shall be inserted in addition to the clauses required by Sec. 5.5(a) or 4.6 of part 4 of this title. As used in this paragraph, the terms laborers and mechanics include watchmen and guards.

(1) Overtime requirements. No contractor or subcontractor contracting for any part of the contract work which may require or involve the employment of laborers or mechanics shall require or permit any such laborer or mechanic in any workweek in which he or she is employed on such work to work in excess of forty hours in such workweek unless such laborer or mechanic receives compensation at a rate not less than one and one-half times the basic rate of pay for all hours worked in excess of forty hours in such workweek.

(2) Violation; liability for unpaid wages; liquidated damages. In the event of any violation of the clause set forth in paragraph (b)(1) of this section the contractor and any subcontractor responsible therefore shall be liable for the unpaid wages. In addition, such contractor and subcontractor shall be liable to the United States (in the case of work done under contract for the District of Columbia or a territory, to such District or to such territory), for liquidated damages. Such liquidated damages shall be computed with respect to each individual laborer or mechanic, including watchmen and guards, employed in violation of the clause set forth in paragraph (b)(1) of this section, in the sum of \$10 for each calendar day on which such individual was required or permitted to work in excess of the standard workweek of forty hours without payment of the overtime wages required by the clause set forth in paragraph (b)(1) of this section.

(3) Withholding for unpaid wages and liquidated damages. The Local Borrower, upon its own action or upon written request of the EPA Award Official or an authorized representative of the Department of Labor shall withhold or cause to be withheld, from any moneys payable on account of work performed by the contractor or subcontractor under any such contract or any other Federal contract with the same prime contractor, or any other federally-assisted contract subject to the Contract Work Hours and Safety Standards Act, which is held by the same prime contractor, such sums as may be determined to be necessary to satisfy any liabilities of such contractor or subcontractor for unpaid wages and liquidated damages as provided in the clause set forth in paragraph (b)(2) of this section.

(4) Subcontracts. The contractor or subcontractor shall insert in any subcontracts the clauses set forth in paragraph (b)(1) through (4) of this section and also a clause requiring the subcontractors to include these clauses in any lower tier subcontracts. The prime contractor shall be responsible for compliance by any subcontractor or lower tier subcontractor with the clauses set forth in paragraphs (b)(1) through (4) of this section.

(c) In addition to the clauses contained in paragraph (b), in any contract subject only to the Contract Work Hours and Safety Standards Act and not to any of the other statutes cited in 29 CFR Sec. 5.1, the Local Borrower shall insert a clause requiring that the contractor or subcontractor shall maintain payrolls and basic payroll records during the course of the work and shall preserve them for a period of three years from the completion of the contract for all laborers and mechanics, including guards and watchmen, working on the contract. Such

records shall contain the name and address of each such employee, social security number, correct classifications, hourly rates of wages paid, daily and weekly number of hours worked, deductions made, and actual wages paid. Further, the Local Borrower shall insert in any such contract a clause providing that the records to be maintained under this paragraph shall be made available by the contractor or subcontractor for inspection, copying, or transcription by authorized representatives of WIFA, EPA and the Department of Labor, and the contractor or subcontractor will permit such representatives to interview employees during working hours on the job.

LOAN AGREEMENT ADDENDUM

American Iron and Steel Requirements for Compliance with Federal Law

Water Infrastructure Finance Authority of Arizona

This document (this "American Iron and Steel Addendum") sets forth additional requirements made applicable to state revolving fund Loans made by the Water Infrastructure Finance Authority of Arizona ("WIFA") by federal law. The provisions in this American Iron and Steel Addendum are a part of the Loan Agreement. Capitalized terms not otherwise defined herein shall have the meanings given them in the Loan Agreement.

The parties acknowledge and agree that funds disbursed by WIFA to the Local Borrower will include funds made available to WIFA by the federal government under federal law, and that the requirements of federal law include those set forth in this American Iron and Steel Addendum. The Local Borrower agrees to comply with all of those requirements and agrees that failure to do so is a breach of the provisions of the Loan Agreement which may result in a default under the Loan Agreement, termination of WIFA's obligation to make disbursements on the Loan and the Local Borrower being required to repay all amounts that have been disbursed by WIFA on the Loan, together with interest and fees as provided in the Loan Agreement.

Federal law requires that WIFA include in all assistance agreements, including the Loan Agreement, for the construction, alteration, maintenance, or repair of treatment works under the Clean Water State Revolving Fund and for the construction, alteration, maintenance, or repair of a public water system under the Drinking Water State Revolving Fund, a provision requiring the application of American Iron and Steel requirements for the entirety of the construction activities financed by the assistance agreement through completion of construction, no matter when construction commences. Whether or not the project has multiple sources of funding, the American Iron and Steel requirements apply to the entire project and not just to the activities funded by the money made available to WIFA by the federal government.

Section 1. American Iron and Steel Requirements. In accordance with federal law:

(a)(1) None of the funds made available to WIFA as authorized by title VI of the Federal Water Pollution Control Act (33 U.S.C. 1381 et seq.) or as authorized by section 1452 of the Safe Drinking Water Act (42 U.S.C. 300j-12) shall be used for a project for the construction, alteration, maintenance, or repair of a public water system or treatment works unless all of the iron and steel products used in the project are produced in the United States.

(2) In this section, the term "iron and steel products" means the following products made primarily of iron or steel: lined or unlined pipes and fittings, manhole covers and other municipal castings, hydrants, tanks, flanges, pipe clamps and restraints, valves, structural steel, reinforced precast concrete, and construction materials.

(b) Subsection (a) shall not apply in any case or category of cases in which the Administrator of the Environmental Protection Agency (in this section referred to as the "Administrator") finds that—

- (1) applying subsection (a) would be inconsistent with the public interest;
- (2) iron and steel products are not produced in the United States in sufficient and reasonably available quantities and of a satisfactory quality; or
- (3) inclusion of iron and steel products produced in the United States will increase the cost of the overall project by more than 25 percent.

(c) If the Administrator receives a request for a waiver under this section, the Administrator shall make available to the public on an informal basis a copy of the request and information available to the Administrator concerning the request, and shall allow for informal public input on the request for at least 15 days prior to making a finding based on the request. The Administrator shall make the request and accompanying information available by electronic means, including on the official public Internet Web site of the Environmental Protection Agency.

Section 2. General Provisions.

(a) Binding Effect. This American Iron and Steel Addendum shall inure to the benefit of and shall be binding upon WIFA and the Local Borrower and their respective successors and assigns.

(b) Severability. In the event any provision of this American Iron and Steel Addendum shall be held illegal, invalid or unenforceable by any court of competent jurisdiction, such holding shall not invalidate, render unenforceable or otherwise affect any other provision hereof.

(c) Amendments, Supplements and Modifications. This American Iron and Steel Addendum may not be amended, supplemented or modified without the prior written consent of WIFA and the Local Borrower.

(d) Execution in Counterparts. This American Iron and Steel Addendum may be executed in several counterparts, each of which shall be an original and all of which shall constitute but one and the same instrument.

(e) Applicable Law. This American Iron and Steel Addendum shall be governed by and construed in accordance with the laws of the State of Arizona and applicable federal law.

(f) Captions. The captions or headings in this American Iron and Steel Addendum are for convenience only and shall not in any way define, limit or describe the scope or intent of any provisions of this American Iron and Steel Addendum.

(g) Further Assurances. The Local Borrower shall, at the request of WIFA , authorize, execute, acknowledge and deliver such further resolutions, conveyances, transfers, assurances, financing statements and other instruments as may be necessary or desirable for better assuring, conveying, granting, assigning and confirming the rights and agreements granted or intended to be granted by this American Iron and Steel Addendum.

(h) Prohibition Against Discrimination. In the event that it applies, the parties agree to comply with the Arizona Governor's Executive Order 2009-9, entitled "Prohibition of Discrimination in State Contracts Non-Discrimination in Employment by Government Contractors and Subcontractors," which mandates that all persons, regardless of race, color, religion, sex, age, or national origin shall have equal access to employment opportunities, and all other applicable state and Federal employment laws, rules, and regulations, including the Americans with Disabilities Act. The Local Borrower shall take affirmative action to ensure that applicants for employment and employees are not discriminated against due to race, creed, color, religion, sex, national origin or disability.

(i) Arbitration. In the event of a dispute, the parties agree to use arbitration, after exhausting applicable administrative review, to the extent required by Arizona Revised Statutes Section 12-1518, and the prevailing party shall be entitled to attorney's fees and costs with respect thereto.

(j) Notice of Arizona Revised Statutes Section 38-511 - Cancellation. Notice is hereby given of the provisions of Arizona Revised Statutes Section 38-511, as amended. By this reference, the provisions of said statute are incorporated herein to the extent of their applicability to this American Iron and Steel Addendum under the law of the State of Arizona.

**Section 2
Project Description**

To reduce the high amount of water loss, the Company will replace 22 fire hydrants and approximately 222 feet of one-inch polyethylene pipe with K-copper piping. Five isolation valves that are no longer functioning will be replaced, which will help isolate main line breaks without interrupting service to customers and reduce water loss during a main line break.

Because Well Number 18 is the main production well for the system, the pump and motor were replaced when they failed in 2012. The Company sought and received approval for reimbursement for the costs associated with replacement as part of its ACC financing and rate case.

Section 3

Additional Observations: at least one site observation within each 12 month period

Final Observation: 80% construction budget disbursement

Additional Observations – A WIFA representative may perform additional observations based on information provided in the projects status reports included in each Local Borrower disbursement requisition form.

Withholding Percentage: 10% (released after deliverables received)

Section 1. Debt Service Reserve Fund.

(a) There is established and maintained a Debt Service Reserve Fund held by the Authority. The deposits required pursuant to this Exhibit shall be automatically debited from the Local Borrower Deposit Account along with the Local Borrower's regularly scheduled payments of principal and interest. The amount allocated to the Debt Service Reserve Fund shall be administered and invested by the Authority and allocated to the (the "Debt Service Reserve Fund"). Amounts therein shall secure payment to the Authority of Loan repayments payable under the Loan Documents. The regularly scheduled deposits into the Debt Service Reserve Fund shall be in an amount, as determined by the Authority, so as to accumulate over five (5) years an amount equal to the highest amount of Loan repayments by the Local Borrower in any fiscal year as shown in the Loan repayment schedule, which the Local Borrower and the Authority agree is the initial amount of the debt service reserve requirement (the "Debt Service Reserve Requirement") for the Loan. Initially, the amount of the Debt Service Reserve Requirement and the amount of the required periodic build up are set forth in Exhibit A. The amount of the Debt Service Reserve Requirement and the amount of the required periodic build up will be adjusted to reflect any adjustment of the Loan repayment schedule.

(b) For so long as the Loan is outstanding, if on any Interest Payment Date or Principal Repayment Date the Local Borrower has not paid to the Authority an amount equal to the amount of principal and interest due on the Loan pursuant to this Agreement, the Local Borrower hereby consents and directs the Authority to transfer, the amount of the deficiency from the Debt Service Reserve Fund to the payment of any amounts due. The Local Borrower shall then cause to be delivered to the Authority for deposit to the Debt Service Reserve Fund after provision is made for payment of amounts which have become due under this Agreement an amount sufficient to cause the amount credited to the Debt Service Reserve Fund to be at least equal to the amount then required to be on deposit therein.

(c) The Authority may commingle funds of the Local Borrower with other funds but shall keep adequate and accurate records of moneys and investment earnings on amounts credited to the Debt Service Reserve Fund. The Local Borrower shall pay the reasonable fees and charges of the Authority for administering the Debt Service Reserve Fund from investment earnings on amounts credited to the Debt Service Reserve Fund in an amount not to exceed 10% of investment earnings.

(d) The Authority shall keep an accounting of the Debt Service Reserve Fund, indicating the principal amount therein, and net annual investment earnings (investment earnings less administrative costs and fees pursuant to Clause (c) of this Section) (the "Net Earnings"). Net Earnings shall be applied as a prepayment of principal.

(e) Subject to subsections (a), (b), (c), and (d) of this Section, when the Debt Service Reserve Fund is equal to or greater than the amounts due from the Local Borrower, the Authority shall:

(i) Apply the Debt Service Reserve Fund to pay in full all amounts payable by the Local Borrower under this Agreement.

(ii) Transfer to the Local Borrower all monies remaining in the Debt Service Reserve Fund after payment in full of all amounts payable by the Local Borrower.

Section 2. Replacement Reserve Fund.

(a) The Local Borrower shall establish a separate account to secure payment to the Authority of Loan repayments payable under the Loan Documents (the "Replacement Reserve Fund"). The Replacement Reserve Fund shall be held and administered by the Local Borrower in an account which is acceptable to the Authority pursuant to the provisions of the Agreement. The Local Borrower shall cause to be deposited on or before the first business day of each month commencing with the sixty-first (61st) month following the month in which the first Disbursement occurs amounts at least equal to one-twelfth (1/12th) of twenty percent (20%) of the highest amount of Loan repayments by the Local Borrower in any fiscal year as shown in the Loan repayment schedule. Initially, the amount of the required monthly deposit and the aggregate annual deposits are set forth in Exhibit A. The amount of the required monthly deposit will be adjusted to reflect any adjustment of the Loan repayment schedule.

(b) For so long as the Loan is outstanding, if no Event of Default, and no event or occurrence which, with the giving of notice or the passage of time or both, would become an Event of Default (an "Unmatured Event of Default"), has occurred and is continuing, the Local Borrower from time to time may withdraw moneys from the Replacement Reserve Fund and apply the moneys withdrawn for one or more of the following purposes: (i) for the acquisition of new, or the replacement of obsolete or worn out, machinery, equipment, furniture, fixtures or other personal property for the drinking water system provided that the property is depreciable; (ii) for the performance of repairs with respect to the drinking water system which are of an extraordinary and non-recurring nature provided that the property is depreciable; (iii) for the acquisition or construction of additions to or improvements, extensions or enlargements to, or remodeling of, the drinking water system provided that the property is depreciable; and/or (iv) to make payments to the Authority on the Loan.

(c) For so long as the Loan is outstanding, if on any Interest Payment Date or Principal Repayment Date the Local Borrower has not paid to the Authority an amount equal to the amount of principal and interest due on the Loan pursuant to this Agreement, and the Debt Service Reserve Fund does not hold sufficient moneys to cover the deficiency, the Authority will direct the Local Borrower to transfer, and the Local Borrower hereby consents to transfer, the amount of the deficiency from the Replacement Reserve Fund to the Authority.

(d) The Authority shall require that the Local Borrower shall keep adequate and accurate records of moneys, investments and investment earnings on amounts credited to the Replacement Reserve Fund. The Authority shall have the right to audit the records of the Local Borrower insofar as they pertain to the Replacement Reserve Fund.

Section 3. Debt Service Reserve Fund and Replacement Reserve Fund as Collateral.

(a) Grant of Security Interest. As collateral security for the prompt and complete payment when due of all obligations of the Local Borrower to the Authority under the Agreement and the Note and all other obligations and liabilities of the Local Borrower to the Authority, whether direct or indirect, absolute or contingent, due or to become due, now existing or hereafter incurred, arising under, out of, or in connection with, the Agreement or any of the Loan Documents (the "Obligations"), the Local Borrower has granted, bargained, sold, assigned, pledged, and set over and by these presents does hereby grant, bargain, sell, assign, pledge, transfer and set over unto the Authority, and its successors and assigns, all of the Local Borrower's right, title and interest in and to any amounts held or deposited in the Debt Service Reserve Fund and in the Replacement Reserve Fund (the "Pledged Funds").

(b) Terms and Conditions.

(i) The Debt Service Reserve Fund and all amounts deposited therein shall be held in the sole dominion and control of the Authority and shall be administered by the Authority as a collateral account for the benefit of the Authority, and the Local Borrower shall have no rights or powers with respect to, or control over, the Debt Service Reserve Fund or any part thereof. The Local Borrower's sole right with respect to the Pledged Funds in the Debt Service Reserve Fund shall be as provided in the Agreement.

(ii) From and after the occurrence and during the continuation of an Event of Default, the Authority may, in the sole and absolute discretion of the Authority, apply the Pledged Funds in the Debt Service Reserve Fund, and, if there are insufficient Pledged Funds in the Debt Service Reserve Fund, in the Replacement Reserve Fund, to the Obligations in the following order: (i) all outstanding costs, expenses, fees and late charges due the Authority, (ii) interest at the rate or rates specified in the Loan Documents and (iii) the principal amount of the Obligations. All interest and other investment earnings amounts from time to time accrued and paid on the Pledged Funds in the Debt Service Reserve Fund and the Replacement Reserve Fund shall be retained in the Debt Service Reserve Fund and the Replacement Reserve Fund and shall be applied in accordance with the Agreement.

(iii) The Authority shall have, with respect to the Pledged Funds, all rights and remedies of a secured party under Article 9 of the Arizona Uniform Commercial Code and other applicable laws.

Section 4. Representations, Warranties and Covenants.

(a) The Authority agrees to establish upon closing and maintain the Debt Service Reserve Fund and the Local Borrower agrees to establish upon closing and maintain the Replacement Reserve Fund, both in accordance with the provisions of the Agreement.

(b) The Authority and the Local Borrower, as applicable, covenant that it will not apply, or permit the application of, amounts on deposit in, or required by the provisions of this Agreement

to be on deposit in, the Debt Service Reserve Fund and/or the Replacement Reserve Fund except in accordance with the provisions of this Agreement.

(c) The Local Borrower hereby represents and warrants to the Authority, effect on the date of the Agreement and on the date of each deposit of Pledged Funds to the Debt Service Reserve Fund and the Replacement Reserve Fund, that:

(i) No filing, recording, registration or declaration with or notice to any person or entity is required in order to preserve or perfect the first priority lien and charge intended to be created hereunder in the Pledged Funds.

(ii) Except for the security interest granted to the Authority pursuant to this Agreement, the Local Borrower is the sole owner of the Pledged Funds, having good and marketable title thereto, free and clear of any and all mortgages, liens, security interests, encumbrances, claims or rights of others.

(iii) No security agreement, financing statement, equivalent security or lien instrument or continuation statement covering all or part of the Pledged Funds is on file or of record in any public office except such as may have been filed by the Local Borrower in favor of the Authority.

(iv) This Agreement constitutes a valid and continuing first lien on and first security interest in the Pledged Funds in favor of the Authority, prior to all other liens, encumbrances, security interests and rights of others, and is enforceable as such as against creditors of and purchasers from the Local Borrower.

(d) Without the prior written consent of the Authority, the Local Borrower hereby covenants and agrees that it will not sell, assign, transfer, exchange or otherwise dispose of, or grant any option with respect to, the Pledged Funds, nor will it create, incur or permit to exist any pledge, lien, mortgage, hypothecation, security interest, charge, option or any other encumbrance with respect to any of the Pledged Funds, or any interest therein, except for the security interest provided for by the Agreement.

(e) The Local Borrower hereby covenants and agrees that it will defend the Authority's right, title and security interest in and to the Pledged Funds against the claims and demands of all persons whomsoever except to the extent, which arise out of the willful misconduct or gross negligence of the Authority.

Exhibit F
PROMISSORY NOTE

\$154,794.00

Phoenix, Arizona
November 20, 2015

For Value Received, Clear Springs Utility Company ("Local Borrower"), promise to pay to WATER INFRASTRUCTURE FINANCE AUTHORITY OF ARIZONA ("Authority") or order the aggregate principal amount outstanding on the Local Borrower's loan as shown on the Authority's records which shall at all times be conclusive and govern, with interest thereon at an annual rate equal to Four and Four Hundred Sixty-Three Thousandths Percent (4.463%). Interest shall be calculated on a 360-day year for all disbursements, but, in any case, shall be computed for the actual number of days in the period for which interest is charged. Principal and interest shall be payable at the times and in the manner set forth in the Loan Agreement (as hereinafter defined).

The Authority and the Local Borrower have established specific instructions and procedures by which draws against said credit will be presented for disbursement pursuant to the terms and conditions of that certain Loan Agreement of even date herewith (the "Loan Agreement"), but nothing contained herein shall create a duty on the part of the Authority to make said disbursement if the Local Borrower is in default. The undersigned shall not be entitled to total disbursements hereunder exceeding One Hundred Fifty Four Thousand, Seven Hundred Ninety Four Dollars and No Cents (\$154,794.00), such lesser amount determined in accordance with the Loan Agreement with respect to the Loan (as defined in the Loan Agreement).

All amounts payable hereunder shall be paid in lawful money of the United States. Principal and interest shall be payable at 1110 West Washington, Suite 290, Phoenix, Arizona 85007, or at such other place as the holder hereof may designate. The Local Borrower may prepay the Loan, in whole or in part, at any time without premium or penalty pursuant to Section 1(b) of the Standard Terms and Conditions relating to the Loan.

Absent a default under this Note or the Loan Agreement, any payments received by the holder hereof shall be applied first to sums, other than principal and interest, due the holder hereof, next to the payment of all interest accrued to the date of such payment, and the balance, if any, to the payment of principal. Any payments received by the holder hereof after any Event of Default (as defined in the Loan Agreement) shall be applied to the amounts specified in this paragraph in such order as the holder hereof may, in its sole discretion, elect.

If any payment of interest and/or principal is not received by the holder hereof when such payment is due, then, as additional remedies, (a) a late charge of six percent (6%) of the amount due and unpaid will be added to the delinquent amount for any payment past due in excess of fifteen (15) days and (b) all past due payments of principal and/or interest shall bear interest from their due date until paid at an annual rate equal to the sum of (i) six percent (6%) and (ii) the interest rate specified herein, payable on demand (the "Default Rate").

This Note shall become immediately due and payable at the option of the holder hereof without presentment or demand or any notice to the Local Borrower or any other person obligated hereon, upon default in the payment of any of the principal hereof or any interest thereon when due, or if any event occurs or condition exists which authorizes the acceleration of the maturity hereof under the Loan Agreement. Time is of the essence with regard to all payment obligations in this Note. Failure to exercise any remedy or right hereunder shall not constitute a waiver of the right to exercise the same in the event of any subsequent default.

In the event any holder hereof utilizes the services of an attorney in attempting to collect the amounts due hereunder or to enforce the terms hereof or of any agreements related to this indebtedness, or if any holder hereof becomes party plaintiff or defendant in any legal proceeding in relation to the property described in any instrument securing this Note or for the recovery or protection of the indebtedness evidenced hereby, the Local Borrower, its successors and assigns, shall repay to such holder hereof, on demand, all costs and expenses so incurred, including reasonable attorney's fees, including those costs, expenses and attorney's fees incurred after the filing by or against the Local Borrower of any proceeding under any chapter of the Bankruptcy Code, or similar federal or state statute, and whether incurred in connection with the involvement of any holder hereof as creditor in such proceedings or otherwise.

The Local Borrower and all sureties, endorsers and guarantors of this Note waive demand, presentment for payment, notice of nonpayment, protest, notice of protest and all other notice, filing of suit and diligence in collecting this Note or the release of any part primarily or secondarily liable hereon and further agree that it will not be necessary for any holder hereof, in order to enforce payment of this Note by any of them, to first institute suit or exhaust its remedies against any maker or others liable herefor, and consent to any extension or postponement of time or payment of this Note or any other indulgence with respect hereto without notice thereof to any of them.

Notwithstanding any provision contained herein to the contrary, the applicable rate of interest agreed to herein shall include the applicable interest rate described herein, in accordance with the terms of this Note, and any additional charges, costs and fees incident to this loan to the extent they are deemed to be interest under applicable Arizona law. Should the applicable rate of interest as calculated under this Note exceed that allowed by law, the applicable rate of interest will be the maximum rate of interest allowed by applicable law.

Ladies and Gentlemen:

We are attorneys admitted to practice in the State of Arizona and have acted as counsel to Borrower, which proposes to enter into a Loan Agreement (as hereinafter defined) with the Water Infrastructure Finance Authority of Arizona (the "Authority"). We have examined originals, or copies certified or otherwise identified to our satisfaction, of the following documents:

Based upon the foregoing, and subject to the qualifications and limitations set forth below, it is our opinion that:

1. Borrower is an Arizona corporation duly organized, validly existing, and in good standing under the laws of the State of Arizona.
2. The Borrower has full legal right and authority to undertake and complete the Project (as such term is defined in the Loan Agreement); subject, however, to the effect of restrictions and limitations imposed by, or resulting from, bankruptcy, insolvency, moratorium, reorganization, debt adjustment or other similar laws affecting creditors' rights generally heretofore or hereafter enacted.
3. To the best of our knowledge, after such investigation as we have deemed appropriate, and as certified by appropriate parties, the resolutions identified above have been duly and lawfully adopted in accordance with applicable Arizona law.
4. To our knowledge, without investigation except as disclosed, the authorization, execution and delivery of the Loan Agreement by the Borrower, the observance and performance by the Borrower of its duties, covenants, obligations and agreements thereunder and the consummation of the transactions contemplated therein and the undertaking and completion of the Project, except as disclosed to the Authority, do not and will not contravene an existing law or any existing order, injunction, judgment, decree, rule or regulation of any court or governmental or administrative agency, authority or person having jurisdiction over the Borrower or its property or assets or result in a breach or violation of any of the terms and provisions of, or constitute a default under, any existing bond resolution, trust agreement, indenture, mortgage, deed of trust or other agreement to which the Borrower is a party or by which it, the system or its property or assets is bound.
5. To the best of our knowledge, after such investigation as we have deemed appropriate, all approvals, consents or authorizations of, or registrations of or filings with, any governmental or public agency, authority or person required to date on part of the Borrower in connection with the authorization, execution, delivery and performance of the Loan Agreement and the undertaking and completion of the Project have been obtained or made.

We are qualified to practice law in the State of Arizona, and we do not purport to be an expert on, or to express an opinion concerning, any law other than the law of the State of Arizona. This opinion is limited in all respects of the laws in the State of Arizona now in effect, to the matters set forth herein, and to the date hereof, and we assume no obligation to revise or supplement this letter should any such law be changed by legislative action, judicial decision or otherwise. The representations, warranties, covenants and similar statements made by the Borrower in the Loan Agreement and Documents are the sole responsibility of the Borrower and are not in

any way adopted by us as part of this opinion. No opinion may be inferred or implied beyond the manner expressly stated herein and only in the context of the assumptions and qualifications herein described.

This document sets forth the Standard Terms and Conditions applicable to Loans made by the Water Infrastructure Finance Authority of Arizona the ("Authority") to a Local Borrower. These Standard Terms and Conditions are a part of the Loan Agreement to which this document is attached. Capitalized terms not otherwise defined herein shall have the meanings given them in the Loan Agreement.

Section 1. Loan Repayment; Prepayments; Providing for Payment of the Loan.

(a) Loan Repayments.

(i) Loan Repayment Schedule. Local Borrower shall pay to the Authority the amounts shown in the Loan repayment schedule in Exhibit A hereto on or before the dates shown in Exhibit A as the same may be adjusted as provided below to reflect the revised principal repayment schedule of the Loan. The undisbursed portion of the Commitment shall expire on the earlier of (i) the date that the Loan amount has been fully disbursed by the Authority, (ii) the date the final requisition received from the Local Borrower is disbursed, or (iii) the third anniversary of the Loan closing. At the expiration of the Commitment, if the total amount of the Disbursements is less than the maximum Loan Amount, the amount of each principal installment due as set forth in the Loan repayment schedule contained in Exhibit A shall be adjusted based on (a) the principal balance then outstanding, (b) the amortization schedule as provided in Exhibit A and (c) the Combined Interest and Fee Rate. Upon such adjustment, the Authority shall compute the adjusted interest payment amounts for each Interest Payment Date to reflect the adjusted principal amounts and shall enter the results in the Loan repayment schedule and furnish the revised schedule to the Local Borrower.

(ii) Application of Payments. Absent a default under the Note or this Agreement, any payments received by the Authority shall be applied first to sums, other than principal and interest, due the Authority, next to the payment of all interest accrued to the date of such payment, and the balance, if any, to the payment of principal. Any payments received by the Authority after any Event of Default shall be applied to the amounts specified in this paragraph in such order as the Authority may, in its sole discretion, elect.

(iii) Late Payments. If any payment of interest and/or principal is not received by the Authority when such payment is due, then, as additional remedies, (a) a late charge of six percent of the amount due and unpaid will be added to the delinquent amount for any payment past due in excess of fifteen days and (b) all past due payments of principal and/or interest shall bear interest from their due date until paid at the annual rate equal to the sum of (i) six percent and (ii) the Interest Rate specified in Exhibit A, payable on demand.

(iv) Calculations of Interest. Interest shall be calculated on the actual number of days each Disbursement is outstanding on the basis of a year consisting of 360 days. In calculating interest, the date each Disbursement is made shall be included and the date each such Disbursement is repaid shall be excluded.

(iv) Payment on Maturity Date. On the final Principal Repayment Date, the Local Borrower shall make one final payment of principal, accrued and unpaid interest, and all other amounts due and payable hereunder and under all of the Loan Documents.

(b) Prepayment. The Loan is not subject to prepayment prior to the tenth anniversary of the final loan draw. The Local Borrower may prepay the principal amount of the Loan in whole or in part in advance of the due dates on or after the tenth anniversary of the final loan draw without penalty upon written notice delivered to the Authority at least 60 days prior to the prepayment date. If the Local Borrower makes partial prepayments of the unpaid principal under the Loan, the amount of each principal installment due as set forth in the Loan repayment schedule contained in Exhibit A shall be adjusted based on (a) the principal balance then outstanding, (b) the amortization schedule as provided in Exhibit A and (c) the Combined Interest and Fee Rate. Upon such adjustment, the Authority shall compute the adjusted interest payment amounts for each Interest Payment Date to reflect the adjusted principal amounts and shall enter the results in the Loan repayment schedule and furnish the revised schedule to Local Borrower.

(c) Providing for Payment of the Loan. The Local Borrower may at any time provide for the payment and discharge of the Loan, as provided in this subsection. The Loan shall be deemed to have been paid and discharged if the Local Borrower has delivered to the Authority proof satisfactory to the Authority that the Local Borrower has deposited with a financial institution acceptable to the Authority, in trust for and irrevocably committed to payments on the Loan, cash or non-callable direct obligations of the United States of America (including obligations issued or held in book entry form on the books of the Department of Treasury of the United States of America) and obligations of any agency or instrumentality of the United States of America the timely payment of the principal of and interest on which are unconditionally guaranteed by the United States of America, which are of such maturities and interest payment dates, and bear such interest, as will be sufficient together with any moneys also deposited, without further investment or reinvestment of either the principal amount or the interest earnings (which earnings are to be held likewise in trust and so committed), to pay all the amounts due under the Loan, as set forth in the Loan repayment schedule contained in Exhibit A, as evidenced in a report of an independent firm of nationally recognized certified public accountants addressed to and delivered to the Authority.

(ii) Make information on forthcoming opportunities available to DBEs and arrange time frames for contracts and establish delivery schedules, where the requirements permit, in a way that encourages and facilitates participation by DBEs in the competitive process. This includes, whenever possible, posting solicitation for bids or proposals for a minimum of 30 calendar days before the bid or proposal closing date.

(iii) Consider in the contracting process whether firms competing for large contracts could be subcontracted with DBEs. This will include dividing total requirements when economically feasible into smaller tasks or quantities to permit maximum participation by DBEs in the competitive process.

(b) Enforcement. The Authority may proceed to protect, exercise, and enforce such rights and remedies as may be provided by agreement or under law including, without limitation, the rights and remedies provided for in the Note. Each and every one of such rights and remedies shall be cumulative and may be exercised from time to time, and no failure on the part of the Authority to exercise, and no delay in exercising, any right or remedy shall operate as a waiver thereof, nor shall any single or partial exercise of any rights or remedy preclude any other or future exercise thereof, or the exercise of any other right. In addition, the Authority may hold and/or set off and apply against Local Borrower's indebtedness any and all cash, accounts, securities, or other property in the Authority's possession or under its control.

(c) Application of Payments. After termination and acceleration of the Loan all amounts received by the Authority shall be applied to the amounts owing hereunder and under the Note in whatever order and manner as the Authority shall in its sole discretion elect.

No provision of the Loan Documents may be changed, discharged, supplemented, terminated, or waived except in a writing signed by the Authority and the Local Borrower. No waiver of any breach or default shall be deemed a waiver of any breach or default occurring thereafter or a waiver of the time of the essence provision.

Section 10. Parties And Binding Effect. This Agreement is made solely between the Authority and the Local Borrower, and no other Person shall have any rights hereunder or be a third-party beneficiary hereof. This Loan Agreement shall be binding upon the undersigned, and upon the heirs, legal representatives, successors and assigns of the undersigned; and to the extent that the Local Borrower is either a partnership or a corporation, all references herein to the Local Borrower shall be deemed to include any successor or successors, whether immediate or remote, to such partnership or corporation. Section 13. Inconsistencies With Loan Documents. In the event of any inconsistencies between the terms of this Agreement and any terms of any of the Loan Documents or any loan application, the terms of this Agreement shall govern and prevail.

Section 14. No Waiver. No disbursement of proceeds of the Loan shall constitute a waiver of any conditions to the Authority's obligation to make further disbursements nor, in the event the Local Borrower is unable to satisfy any such conditions, shall any such waiver have the effect of precluding the Authority from thereafter declaring such inability a default under this Agreement.

Section 15. Authority Approval Of Instruments And Parties. All proceedings taken in accordance with transactions provided for herein; all surveys, appraisals and documents required or contemplated by this Agreement and the persons responsible for the execution and preparation thereof, shall be satisfactory to and subject to approval by the Authority. All written demands and notices by the Authority or Local Borrower relating to the Loan Documents shall be served by certified or registered mail, return receipt requested. Each such demand or notice shall be deposited in the United States Mail postage prepaid and addressed to the addressee's address first above stated. Service of any such demand or notice shall be deemed complete on the date of actual delivery as shown by the addressee's return receipt or at the expiration of the third Business Day after mailing, whichever is earlier. Rejection or refusal to accept the demand or notice by the addressee or inability to deliver the demand or notice due to a changed address of which no notice was given shall not affect deemed service. The Authority or Local Borrower may from time to time, by written notice served on the other, designate a different address or a different attention person for service of demands and notices.

Section 22. No Construction Against Authority Or Local Borrower. The Loan Documents are the result of negotiations between the Local Borrower and the Authority. Local Borrower agrees to indemnify, hold harmless, and on demand defend the Authority and its directors, officers, employees, agents, auditors, counsel, investment committee members and representatives for, from, and against any and all damages, losses, liabilities, costs, and expenses (including, without limitation, costs and expenses of litigation and reasonable attorneys' fees) arising from any claim or demand in respect of this Agreement, the Loan Documents, the collateral provided for herein, or the transaction described in the Loan Documents and arising at any time, whether before or after payment and performance of the Obligations. The

SUBORDINATION AGREEMENT

This SUBORDINATION AGREEMENT ("Subordination Agreement") is made as of November 20, 2015 by Clear Springs Utility Company (hereinafter called "Local Borrower"), and Paul Kauffman (hereinafter called "Creditor"), in favor of WATER INFRASTRUCTURE FINANCE AUTHORITY OF ARIZONA (hereinafter called the "Authority").

RECITALS

A. Local Borrower is or may hereafter become obligated to the Authority to the extent permitted pursuant to that certain Loan Agreement of even date herewith (the "Loan Agreement") between Local Borrower and the Authority.

B. It is a condition to the making of the Loan, as defined in the Loan Agreement, that the Local Borrower and Creditor enter into this Subordination Agreement.

C. In order to induce the Authority to enter into the Loan and to from this time, or from time to time, at its option, make loans or extend credit or other accommodations or benefits to or for the account of the Local Borrower, with or without security, or to purchase or extend credit upon any instrument or writing in respect of which the Local Borrower may be liable in any capacity in such manner and amount and upon terms and conditions as the Authority may deem advisable, and in consideration of any such loan, renewal or extension of credit which the Authority may make, the undersigned Creditor does hereby wholly subordinate, as hereinafter provided, any and all present and future indebtedness or obligations of Local Borrower to Creditor, absolute or contingent, and any instrument, negotiable or otherwise, evidencing any such indebtedness, and all claims, rights and remedies therefor, (sometimes hereinafter referred to as "Subordinated Indebtedness") to any and all indebtedness of Local Borrower to the Authority, whether now existing or hereafter arising, direct or indirect, absolute or contingent, joint, several, or joint and several, secured or unsecured, due or not due (including, without limitation, all amounts due under the Loan Agreement and the Loan Documents thereunder), and whether arising directly between Local Borrower and the Authority, or acquired outright, conditionally or as collateral security from another by the Authority, and any renewals, modifications or extensions thereof, and any interest thereon, and all costs of collecting the same, including, but not limited to reasonable attorneys' fees incurred by the Authority (sometimes hereinafter referred to as "Superior Indebtedness").

NOW THEREFORE, so long as Local Borrower is indebted to the Authority on account of Superior Indebtedness, the parties hereto undertake and agree as follows:

1. The words "Creditor" and "Local Borrower" as herein used shall include the plural as well as the singular and, if Creditor or Local Borrower includes two (2) or more, they shall be jointly and severally bound hereby.
2. The Local Borrower and Creditor agree to amend this Subordination Agreement for execution by additional Creditors.

3. The Subordinated Indebtedness shall, at all times and in all respects, be wholly subordinate and inferior in claim and right to the Superior Indebtedness, and all claims, rights and remedies and interests in collateral given as security therefor are hereby subordinated and made subsequent and inferior to the Superior Indebtedness and any claims, rights and remedies arising out of, or in connection therewith. Creditor shall not exercise any such claims, rights or remedies until repayment in full of the Superior Indebtedness.

4. So long as no Event of Default (as defined in the Loan Agreement) or event which with notice or lapse of time or both would become an Event of Default has occurred and is continuing, regularly scheduled payments on the Subordinated Indebtedness may be made by Local Borrower and accepted by Creditor as such payments become due.

5. During any period that an Event of Default, or an event which with notice or lapse of time or both would become an Event of Default, has occurred and is continuing, Local Borrower shall not make and Creditor shall not accept any payments with respect to the Subordinated Indebtedness.

6. In the event of any distribution, division, or application, partial or complete, voluntary or involuntary, by operation of law or otherwise, of all or any part of the assets of Local Borrower, or the proceeds thereof, to creditors of the Local Borrower, by reason of the liquidation, dissolution, or other winding up of the Local Borrower's business, or in the event of any sale, receivership, insolvency or bankruptcy proceedings by or against Local Borrower, or assignment for the benefit of creditors, or of any proceedings by or against Local Borrower for any relief under any bankruptcy or insolvency laws, or relating to the relief of debtors, readjustment of indebtedness, reorganizations, arrangements, compositions or extensions, or of any other event whereby it becomes necessary or desirable to file or present claims against the Local Borrower for the purpose of receiving payment thereof, or on account thereof, then and in any such event, any payment or distribution of any kind or character, either in cash or other property, which shall be made or shall be payable with respect to any Subordinated Indebtedness shall be paid over to the Authority for application to the payment of the Superior Indebtedness, whether due or not due, and no payments shall be made upon or in respect of Subordinated Indebtedness unless and until the Superior Indebtedness shall have been paid and satisfied in full. In any such event, all claims of the Authority and all claims of the Creditor shall, at the option of the Authority, forthwith become due and payable without demand or notice.

7. Should any payment or distribution or security or proceeds thereof, other than the payments permitted pursuant to paragraphs 2 and 3 hereof, be received by Creditor upon or with respect to the Subordinated Indebtedness prior to the satisfaction of the Superior Indebtedness, Creditor will forthwith deliver the same to the Authority in precisely the form as received except for the endorsement or assignment of Creditor where necessary for application on the Superior Indebtedness, whether due or not due, and until so delivered the same shall be held in trust by Creditor as property of the Authority. In the event of the failure of Creditor to make any such endorsement or assignment, the Authority, or any of its officers or employees, on behalf of the Authority, is hereby irrevocably authorized to make the same.

8. No renewal, modification or extension of time of payment of the Superior Indebtedness, and no release or surrender of any security for the Superior Indebtedness, or the obligations of any endorsers, sureties or guarantors thereof, or release from the terms of this or any other subordination agreement of any claims subordinated, and no delay or omission in exercising any right or power on account of or in connection with the Superior Indebtedness, or under this Subordination Agreement, shall, in any manner, impair or affect the rights and duties of the Authority, the Creditor and the Local Borrower. The Authority, in its uncontrolled discretion, may waive or release any right or option under this Subordination Agreement without the consent of Local Borrower or Creditor, and without otherwise in any way affecting the obligations of Local Borrower and Creditor hereunder. Creditor hereby waives notice of the creation, existence, renewal, or modification or extension of the time of payment, of the Superior Indebtedness.

9. This Subordination Agreement shall be a continuing agreement and the Authority may continue, without notice to Creditor, to lend monies, extend credit and make other accommodations to or for the account of Local Borrower on the faith hereof.

10. Creditor agrees that the Authority, at any time and from time to time, may enter into such agreement or agreements with Local Borrower, as the Authority may deem proper, extending the time of payment or renewing or otherwise altering the terms of all or any of the obligations of Local Borrower to the Authority, or affecting any security underlying any or all of such obligations, or may exchange, sell or surrender or otherwise deal with any such security, or may release any balance of funds of Local Borrower with the Authority, without notice to Creditor and without in any way impairing or affecting this Subordination Agreement.

11. No waiver shall be deemed to be made by the Authority of any of its rights hereunder unless the same shall be in writing signed on behalf of the Authority, and each such waiver, if any, shall be a waiver only with respect to the specific matter or matters to which the waiver relates and shall in no way impair the rights of the Authority or the obligations of Creditor to the Authority in any other respect at any other time.

12. This Subordination Agreement shall inure to the benefit of the Authority and the successors and assigns of the Authority, and any financing institution joining in making said loan(s) or extending said line(s) of credit, or committing itself to make any advances in connection therewith, or which may now, or hereafter, participate therein. Notice of acceptance of this Subordination Agreement is hereby waived and this Subordination Agreement shall be binding upon the Creditor, its heirs, personal representatives, successors and assigns, as the case may be, it being understood, however, that no assignment of the Subordinated Indebtedness due Creditor from Local Borrower, or any part thereof, shall be made to one not a party hereto without the written consent of the Authority first had and obtained, as hereinabove provided.

13. Creditor agrees not to commence or join with any other creditor of Local Borrower in commencing any bankruptcy, reorganization or insolvency proceedings against the Local Borrower.

14. This Subordination Agreement shall be deemed to have been executed, delivered and performed in Arizona, and construed according to the laws of the State of Arizona. Creditor and Local Borrower waive notice of acceptance hereof and all other notices or demands whatsoever.

15. In the event of a breach of any covenant or agreement made herein by either Creditor or Local Borrower, the Authority may, at its option, declare all of the Superior Indebtedness and/or Subordinated Indebtedness immediately due and payable.

16. This Subordination Agreement may be executed in counterparts, all of which executed counterparts shall together constitute a single document. Signature pages may be detached from the counterparts and attached to a single copy of this Agreement to form physically one document.

17. The parties hereto agree to use arbitration to the extent required by Section 12-1518 of the Arizona Revised Statutes, as amended.

18. This agreement shall be construed in accordance with and governed by the laws of the state of Arizona. The courts of Arizona, federal or state, shall have exclusive jurisdiction of all legal actions arising out of this agreement. By executing this agreement, the undersigned submits to the jurisdiction of the federal and state courts of Arizona.

19. To the extent applicable by provision of law, the parties acknowledge that this agreement is subject to cancellation pursuant to A.R.S. §38-511, the provisions of which are hereby incorporated herein.

IN WITNESS WHEREOF, this Subordination Agreement has been duly executed as of the date first written above.

CASH COLLATERAL AGREEMENT

This Cash Collateral Agreement is made as of November 20, 2015 between Clear Springs Utility Company ("Pledgor"), and Water Infrastructure Finance Authority of Arizona (the "Authority").

RECITALS:

A. Pledgor and the Authority have entered into that certain Loan Agreement of even date herewith (the "Loan Agreement"), pursuant to which the Authority has made available to Pledgor a loan of up to One Hundred Fifty Four Thousand, Seven Hundred Ninety Four Dollars and No Cents (\$154,794) (the "Loan").

B. Pursuant to the Loan Agreement, certain funds are required to be deposited from time to time by Pledgor in a Debt Service Reserve Fund administered by the Authority and in a Replacement Reserve Fund administered by the Pledgor, both of which are pledged to the Authority to secure repayment with interest of the Loan. Amounts deposited with the Authority in the Debt Service Reserve Fund and in the Replacement Reserve Fund are referred to herein as the "Pledged Funds".

C. Pledgor and the Authority desire to enter into this Cash Collateral Agreement to provide for the deposit and holding of the Pledged Funds.

D. The Loan Agreement, this Cash Collateral Agreement and all other documents securing or otherwise relating to the Loan shall be referred to collectively in this Cash Collateral Agreement as the "Loan Documents". All capitalized terms used in this Cash Collateral Agreement and not otherwise defined shall have the meanings given to such terms in the Loan Agreement.

E. It is a condition to the making of the Loan that Pledgor and the Authority enter into this Cash Collateral Agreement.

NOW, THEREFORE, in order to induce the Authority to make the Loan and in consideration thereof, Pledgor and the Authority agree as follows:

1. Definitions. The following terms shall have the following meanings:

"Cash Collateral Agreement" means this Cash Collateral Agreement, as the same may be amended, supplemented or otherwise modified from time to time.

"Debt Service Reserve Fund" shall have the meaning ascribed thereto in Section 2 hereof.

"Obligations" shall mean all the obligations of Pledgor to the Authority under the Loan Agreement and the Note and all other obligations and liabilities of Pledgor to the Authority, whether direct or indirect, absolute or contingent, due or to become due, now existing or hereafter incurred, arising under, out of, or in connection with, the Loan Agreement, this Cash Collateral Agreement or any of the Loan Documents.

"Pledged Funds" shall mean as defined in the Recitals to this Agreement.

"Replacement Reserve Fund" shall have the meaning ascribed thereto in Section 2 hereof.

2. Establishment of Debt Service Reserve Fund and Replacement Reserve Fund. Pledgor and the Authority agree that concurrently with the execution and delivery of this Cash Collateral Agreement there is established and shall be maintained a Debt Service Reserve Fund pursuant to the Loan Agreement. At such time as is required pursuant to the Loan Agreement Pledgor shall establish a Replacement Reserve Fund in the name of Pledgor in which there shall be deposited by Pledgor all Pledged Funds as required by the provisions of the Loan Agreement.

3. Grant of Security Interest. As collateral security for the prompt and complete payment when due of all the Obligations, Pledgor has granted, bargained, sold, assigned, pledged, and set over and by these presents does hereby grant, bargain, sell, assign, pledge, transfer and set over unto the Authority, and its successors and assigns, all of Pledgor's right, title and interest in and to any Pledged Funds now or hereafter held or deposited in the Debt Service Reserve Fund and the Replacement Reserve Fund.

4. Terms and Conditions.

(a) The Debt Service Reserve Fund and all amounts deposited therein shall be held in the sole dominion and control of the Authority and shall be administered by the Authority as a collateral account for the benefit of the Authority, and Pledgor shall have no rights or powers with respect to, or control over, the Debt Service Reserve Fund or any part thereof. Pledgor's sole right with respect to the Pledged Funds in the Debt Service Reserve Fund shall be as provided herein and in the Loan Agreement.

(b) If no Event of Default, and no event which with the giving of notice or the passage of time or both could become an Event of Default, has occurred and is continuing, Pledgor from time to time may withdraw moneys from the Replacement Reserve Fund and apply the moneys withdrawn for one or more of the following purposes: (i) for the acquisition of new, or the replacement of obsolete or worn out, machinery, equipment, furniture, fixtures or other personal property for the Facility provided that the property is depreciable; (ii) for the performance of repairs with respect to the Facility which are of an extraordinary and non-recurring nature provided that the property is depreciable; (iii) for the acquisition or construction of additions to or improvements, extensions or enlargements to, or remodeling of, the Facility provided that the property is depreciable; and/or (iv) to make payments to the Authority on the Loan.

(c) From and after the occurrence and during the continuation of an Event of Default, the Authority may, in the sole and absolute discretion of the Authority, apply the Pledged Funds in the Debt Service Reserve Fund, and, if there are insufficient Pledged Funds in the Debt Service Reserve Fund, in the Replacement Reserve Fund, to the Obligations in the following order: (i) all outstanding costs, expenses, fees and late charges due to the Authority, (ii) interest at the rate or rates specified in the Loan Documents and (iii) the principal amount of the Obligations. All interest and other investment earnings amounts from time to time accrued and paid on the Pledged Funds in the Debt Service

Reserve Fund and the Replacement Reserve Fund shall be retained in the Debt Service Reserve Fund and the Replacement Reserve Fund and shall be applied in accordance with the Loan Agreement and this Cash Collateral Agreement.

(d) The Authority shall have, with respect to the Pledged Funds, all rights and remedies of a secured party under Article 9 of the Arizona Uniform Commercial Code and other applicable laws.

5. Further Assurances. Pledgor will, at any time and from time to time, execute and deliver such further documents and do such further acts as shall be required by law or be reasonably requested by the Authority to confirm or further assure the interest of the Authority hereunder.

6. No Liability for Lawful Actions. Neither the Authority nor any of its officers, directors, employees, agents, attorneys-in-fact or affiliates shall be liable for any action lawfully taken or omitted to be taken by any of them under or in connection with this Cash Collateral Agreement (except for gross negligence or willful misconduct).

7. Notices. All notices, requests, demands or other communications to or upon the parties hereto shall be deemed to have been given or made when mailed, delivered or transmitted in accordance with the requirements of the Loan Documents.

8. No Failure, etc. No failure to exercise and no delay in exercising on the part of the Authority of any right, power or privilege hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any right, power or privilege preclude any other or further exercise thereof, or the exercise of any other power or right. The rights and remedies herein provided are cumulative and not exclusive of any rights or remedies provided by law.

9. Waiver; Amendments. None of the terms and provisions of this Cash Collateral Agreement may be waived, altered, modified or amended except by an instrument in writing executed by the parties hereto.

10. Representations and Warranties; Covenants.

(a) Pledgor hereby represents and warrants to the Authority, effective upon the date hereof and each deposit of Pledged Funds to the Debt Service Reserve Fund and the Replacement Reserve Fund, that:

(i) No filing, recordation, registration or declaration with or notice to any person or entity is required in connection with the execution, delivery and performance of this Cash Collateral Agreement by Pledgor or in order to preserve or perfect the first priority lien and charge intended to be created hereunder in the Pledged Funds.

(ii) Except for the security interest granted to the Authority pursuant to this Cash Collateral Agreement, Pledgor is the sole owner of the Pledged Funds, having good and marketable title thereto, free and clear of any and all mortgages, liens, security interests, encumbrances, claims or rights of others.

(iii) No security agreement, financing statement, equivalent security or lien instrument or continuation statement covering all or any part of the Pledged Funds is on file or of record in any public office, except such as may have been filed by Pledgor in favor of the Authority.

(iv) This Cash Collateral Agreement constitutes a valid and continuing first lien on and first security interest in the Pledged Funds in favor of the Authority, prior to all other liens, encumbrances, security interests and rights of others, and is enforceable as such as against creditors of and purchasers from Pledgor.

(b) Without the prior written consent of the Authority, Pledgor hereby covenants and agrees that it will not sell, assign, transfer, exchange or otherwise dispose of, or grant any option with respect to, the Pledged Funds, nor will it create, incur or permit to exist any pledge, lien, mortgage, hypothecation, security interest, charge, option or any other encumbrance with respect to any of the Pledged Funds, or any interest therein, except for the security interest provided for by this Cash Collateral Agreement.

(c) Pledgor hereby covenants and agrees that it will defend the Authority's right, title and security interest in and to the Pledged Funds against the claims and demands of all persons whomsoever except to the extent which arise out of the willful misconduct or gross negligence of the Authority.

11. Authority's Expenses and Liabilities. Pledgor shall pay all costs and out-of-pocket reasonable expenses of the Authority in connection with the maintenance and operation of this Cash Collateral Agreement made in accordance with the terms hereof. Pledgor also agrees to pay all costs of the Authority, including reasonable attorneys' fees, incurred with respect to the enforcement of the Authority's rights hereunder.

12. Governing Law. This Cash Collateral Agreement shall be deemed to be a contract under, and for all purposes shall be governed by, and construed and interpreted in accordance with, the law of the State of Arizona.

13. Severability. Any provision of this Cash Collateral Agreement which is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

14. Successors and Assigns. This Cash Collateral Agreement and all obligations of Pledgor hereunder shall be binding upon the successors or assigns of Pledgor, and shall, together with the rights and remedies of the Authority hereunder, inure to the benefit of the Authority and its successors and assigns.

15. Termination. This Agreement shall terminate and, upon request of Pledgor, all monies (if any) remaining in the Debt Service Reserve Fund and the Replacement Reserve Fund shall be returned to Pledgor at such time as all of the following have occurred: (i) all amounts payable to the Authority under the Loan Documents have been paid in full and all other obligations of Pledgor to the

Authority pursuant to the Loan Agreement have been performed in full, and (ii) the Authority has no further obligation to make any loans or advances to Pledgor pursuant to the Loan Agreement or any of the other Loan Documents.

16. Counterparts. This Agreement may be executed in counterparts, all of which executed counterparts shall together constitute a single document. Signature pages may be detached from the counterparts and attached to a single copy of this Agreement to form physically one document.

IN WITNESS WHEREOF, the parties hereto have executed or caused this instrument to be duly executed and delivered as of the date first above written.
