Nature Of Opinion

Docket Number: E-01575A-15-0312 Docket Position: Against

This would be under docket E-01575A-15-0312. We are voicing our opposition to SSVEC's application for a change in their rate structure. This proposed rate structure is poorly designed as it creates new inequities, it will end distributed generation in SSVEC's service area, and is grossly unfair to "grandfathered" customers. Sincerely, Glen and Deanna Sanner
