Docket No. T-01051B-15-0382. I oppose their Application for a Rate Increase.

CenturyLink's Profit Rises Despite Another Revenue Decline

Legacy Businesses Affected by Access-Line Losses, Lower Access Revenue

By Anna Prior (Wall Street Journal)

Feb. 12, 2014 5:00 p.m. ET

"CenturyLink Inc. said fourth-quarter earnings edged up 2.6% as the telecommunications company recorded a lower income tax expense, but revenue fell for the sixth consecutive quarter....."

CenturyLink application for a Rate Increase should be rejected by the Arizona Corporation Commission. Their profits are up; this increase is at the expense of Consumers.

"To assure each one the facility of perfecting his skill.....Those talents with which Nature has endowed him; and thereby to establish among all citizens an actual equality, thus rendering real the political equality recognized by the law. This should be the first aim of any national education...an obligation of justice." (Condorcet, 1792)
