INTERCITY TELECOMMUNICATIONS SERVICES

1. APPLICATION OF TARIFF

This tariff applies to intercity interLATA and intraLATA telecommunications services furnished by Sprint Communications Company L.P. ("Carrier") between and among points within the State of Arizona in conjunction with Carrier's interstate telecommunications services originating and terminating in Arizona. Effective August 1, 2001, all references herein to Sprint's F.C.C. Tariffs, insofar as the service offering set forth in the Sprint F.C.C. tariffs have been or become detariffed, shall be construed to be references to the Sprint Business Schedules and Consumer Rates and Conditions located at <http://www.sprint.com/ratesandconditions>.

Customers shall be entitled to the intrastate discounts to the extent set forth in the interstate Custom Network Service Arrangements as summarized in Sprint's Schedule No. 12, located at www.sprint.com/ratesandconditions. These intrastate discounts shall apply against a Customer's intrastate charges and shall not be applied against a Customer's interstate charges.

Effective December 17, 2015, no Residential customers may use Sprint intrastate long distance service. (N)

3. TERMS AND CONDITIONS

Unless otherwise specified, the following Terms and Conditions apply for all business services provided by the Company. (T)

3.1 Definitions

Certain terms used generally throughout this tariff for services furnished by the Company are defined below.

Authorization Code

The term "Authorization Code" denotes a code given to non-Feature Group D subscribers which, when dialed in proper sequence from the subscriber's premises, identifies subscriber for billing and volume discount purposes.

Authorized User

The term "Authorized User" denotes a person, firm or corporation who is authorized by the subscriber to be connected to the service of the subscriber.

Automatic Number Identification (ANI)

The term "Automatic Number Identification" refers to the calling telephone number (NPA-NXX-XXXX) identification which will be forwarded to the Company's network by the Local Exchange Company (LEC) as a call is placed. ANI is provided by the LEC only when Feature Group B direct or Feature Group D interconnections are used to gain access to the Company's switched telecommunications service (e.g., SPRINT service and Dial "1" WATS).

Band

The term "Band" represents the spectrum of frequencies within two definite limits.

Business Sense

The term "Business Sense" denotes an integrated business platform of switched voice and data services designed to meet the communications needs of small business customers.

Carrier (a.k.a. Company)

The term "Carrier" refers to Sprint Communications Company L.P.
